

Back in 2008, an 8 year old boy with Autism, Michael de Groot and his older sister, Lauren de Groot were watching Boomerang channel. On the program, Boomerang announced, "It's the Banana Splits Show! with Fleegle, Snorky, Drooper, and Bingo!" They watched how the Banana Splits act goofy in every episode. Lauren and Michael became biggest fans, until 2009, The Banana Splits Show got cancelled. Michael asked, "Why did they cancel the Banana Splits Show?" "Sometimes old shows becomes unpopular, but I know which other shows are popular today!" Lauren explained, as she changed the channel to Scooby-Doo Where are you? "Back it up!" Michael said. Lauren changed the channel to Bill Nye the Science Guy. Michael watch the theme song and watched the episode, Measurements. Michael became a biggest fan of Bill Nye the Science Guy. Few days later, Lauren watched What's New Scooby-Doo? She's now a Scooby-Doo fan.

By 2017, Michael afforded Netflix. On Netflix, Michael watched a new talk show, Bill Nye Saves the World. Michael watched an episode where his talk show is really located at Stage 9 in

Sony Pictures Studios. Michael found a perfect job. When Michael went to Theatre Class at his High School another teenager has Netflix. "Hello!" said Michael. "What's your name?" "Ben Nilson." He introduced himself. "What's yours?" "I'm Michael deGroot! Nice to meet you!" Michael said his name as shook Ben's hand. "I'm a Bill Nye fan because I met him in Washington DC!" "God! I saw Bill Nye Saves the World on Netflix!" Ben said. "So do I!" Michael said too. "Really?" "Do you want to watch mine?" Ben asked, as he showed him Netflix on his phone. "Sure, Ben!" Michael smiled. Michael watched Netflix on Ben's phone. They became best friends.

By 2018, Lauren went to SPCA to look for a dog. "Hello? Are there any dogs I can find?" Lauren asked, wonderly. Then, a dog jumped up barking. "Why hello there, my boy!" Lauren said as he read his name. "You want to get out of here.. Harry?" Harry barked. Lauren let Harry out, payed SPCA to keep him. Lauren became a Mommy to Harry.

7 years later, Michael and Ben were at the Richmond Airport, ready to move to Los Angeles,

California to work at Bill Nye Saves the World. Michael said, "Well Lauren, this is it! I'm ready to work with Bill Nye, the Science Guy and to save the world!" "Yup, I'm so proud of you for working so hard," Lauren said. "Thanks, Lauren! Will you and Harry be okay in Richmond, Virginia?" Michael asked. Lauren put her hand on Michael's shoulder. She explained, "Don't worry, Michael! Harry and I will be okay! You have fun with Ben saving the world!" "I'll miss you!" Michael said, as he gave Lauren a hug. "Aww, you can still visit me and Harry!" Lauren exclaimed too. Soon, Michael and Ben took off to Los Angeles, California.

6 months later, Michael got up for the day. He brushed his teeth, showered, and got in his lab coat. Michael rushed downstairs to have breakfast. "Big day! Can't be late!" Michael said to himself. Right when he came out the door, Ben drove by in his car. "Ready for work?" Ben asked. "Sure thing, Ben!" Michael said as he hopped in his car. They drove off to Sony Pictures Studios. Soon, the guard gate lets them drive in Sony Pictures Studios. Once they pulled in the parking lot, Michael and Ben walked over to

Stage 9 and went inside. Bill Nye, the Science Guy came on stage and announced, "Welcome, welcome, welcome! I'm Bill Nye and I'm here to save the world!" "Yeah, Bill Nye!" Michael shouted, "Sssh!" Ben whispered. "Be quiet!" Bill announced, "I've joined a group of... kids for solving mysteries called Mystery Incorporated. They need someone to go out and help them out! Now, I'm going to chill at home, but I'll come back soon as soon as someone gets to call me!" Michael raised his hand and shouted, excitedly, "My friend, Ben and I can help the Mystery Inc. gang because we're taking a vacation to visit my sister, Lauren and to go to King's Dominion for a grand reopening of Hanna Barbera Land!" "Ah, Michael of course you can!" Bill said, as he picked Michael and Ben. "That's where Mystery Incorporated are at Baltimore." "Don't worry, Mr. Nye, we'll drive down to Mystery Inc. Clubhouse after our time at King's Dominion!" said Michael. "Michael's right! We'll be home and back to work before you know it!" Ben said too. "Can we get your phone number just in case?" "Sure!" Bill said, as he gave Ben his phone number. Soon, Michael and Ben left Sony Pictures Studios.

Bill shouted, "Facetime me if you found them!" "I will!" Ben shouted too. Michael and Ben drove to the airport. They got on the plane. Soon, they took off back to Richmond, Virginia.

When the plane landed back at the Richmond Airport, Lauren and Harry were waiting for Michael and Ben to get there. As soon as Michael and Ben walked outside, Lauren said, happily, "Michael!" "Lauren!" Michael said, happily, as he gave Lauren a hug. "Guess what, Lauren?" Ben asked. "What is it?" Lauren asked. "Bill Nye wants us to meet Mystery Incorporated at Baltimore to join Bill Nye Saves the World," Ben announced. "Really?! That's Harry and I's favorite show!" Lauren smiled. "But what about going to Kings Dominion?" Michael said his plan. "How about this? We'll have fun at Kings Dominion and then Meet Mystery Incorporated!" "Good idea! Let's go!" Lauren smiled. Michael and Ben hopped into Lauren's car.

When, Lauren, Harry, Michael, and Ben arrived at the front entrance of Kings Dominion, Lauren parked the car. "Thanks Lauren!" Michael

said, "Have fun kids! I'll stay with Harry, listening to my tunes!" Lauren said, as she turned on the music. "Call me if there's a problem!" Michael and Ben walked into Kings Dominion and handed out tickets. When they came inside, Michael pointed and said, "Look at the new Hanna-Barbera Land! After all years of being removed, now it's back!" "That's right!" Ben said. "Let's go to Scooby-Doo Haunted Mansion ride first!" "Great idea!" Ben said. Michael and Ben went inside to ride on Scooby-Doo Haunted Mansion ride. When they came out, Ben said, "That was fun! Where do you want to go next?" "Let's go ride on Scooby-Doo Ghoster Coaster!" Michael said. "After you!" said Ben. Michael and Ben went inside to ride on Scooby-Doo Ghoster Coaster. While they're riding to the top, Michael saw an abandoned theater in Hanna Barbera Land attraction. He felt curious! After they rode on Scooby-Doo Ghoster Coaster, Ben said, "I love roller coasters! Let's try the next one! Uh, Michael?" Suddenly, Michael vanished.

Michael walked up to the entrance of an old closed down theater to see what happened. "I didn't know one new Hanna Barbera Land attraction closed down already!" Michael said to himself. Michael checked out inside. When

Ben came in front and gasped, "Oh no! He shouldn't be in there! Well, okay!" Ben wasn't sure to be in there too, but he decided to follow Michael inside. Inside the entrance, cones were lined up. Sidewalk was groomed and cracked. Plus, there are bunches of signs that said, "Stop! No Trespassing! This means you! Warning: No children allowed in this area! Do Not Enter! Wrong way! Danger! And Beware of Dog!" Michael ignored the warning signs. When Michael came up to the rusty freight door cage with police tape around it. It blocked the bleachers and the theater stage. Michael read the wanted sign, "Wanted! The Banana Splits Dead or Alive Reward! If you see them attacking you outside the theatre property call and report to your local police officer immediately!" Michael read the paper and said, "The Banana Split Murderers Still at Large! That's impossible! I've seen the Banana Splits show since I was a kid!" Ben found Michael and said, "There you are! You shouldn't be in here!" "No, Ben! I was just wondering what happened here and why those Banana splits are bad guys?" Michael asked. Ben explained, "Listen, there's a bad guy who replaced the Banana Splits and..." Michael interrupted

and said, "Wait! Is that why they cancelled the show back in 2009?" Suddenly, the door on stage slightly open. Michael grabbed Ben's arm and they hid behind the hay stack. The door opened and out came Poppy and her animatronic Banana Splits: Fleegle, Bingo, Drooper, and Snorky. "Now this here is Taft studios where we cancelled our show!" Animatronic Fleegle said. "Well, you know gentle-bots! I love the Banana Splits since I was a girl!" Said Poppy. "What would be a better way to honor... you guys is to make this beautiful studio, Banana Split Cemetery Museum! I think I should call this place, The Banana Splits Memorial Museum!" Michael and Ben felt so surprised. Ben tried to say, "Michael, we shouldn't..." Michael covered Ben's mouth and said, "Sssshh!!! Be quiet and listen closely!" "Now this here is the contract Karl signed 3 years ago!" Animatronic Fleegle said as he showed Poppy the contract. "Right, since you killed Carl, but before, he captured the real Banana Splits down at Myrtle Beach South Carolina!" Animatronic Bingo said. Michael and Ben felt surprised. "If they escape and raise up to \$10,000,000 it cost for this property, before this contract expires, then

they get Banana Splitville down at Hard Rock Park
back!" Animatronic Drooper explained. Michael and
Ben puzzled to know how to get their studio back
"Well actually, you boys! You both still exist,
and in two weeks, we tear the two theme
parks to the ground, and make your show
go on to the kids! Poppy said her speech.
Michael and Ben gasped. "I think they're so goofy,
but the joke is on you!" Poppy continued. "Fleege
to the maniacal laugh!" Animatronic Fleege laughed maniacally.
Michael and Ben felt so surprised. In fact, Ben
asked, "Michael, should we run for our lives now?"
Then, Michael and Ben ran away, screaming.
Poppy saw Michael and Ben screaming and
ran away. "Get them!" She told The Banana
Splits animatronics. Animatronic Fleege got a net.
Animatronic Drooper got a fire spray to burn the
rusty locker down. Animatronic Bingo got a saw
to cut the door knob out. Poppy and the Banana
Splits animatronics went after Michael and Ben.
In the far distance, Michael and Ben
gasped as they looked in the back that Poppy,
and the Banana Splits Animatronics were chasing
them. When Michael and Ben ran out the
entrance of King's Dominion, Michael shouted
as they get closer to the car, "Lauren, start

the car!" "What?" Lauren asked thoughtfully. "Start the car!" Michael shouted. "Stop the Bar?" Lauren asked, wonderly. "I meant the car! Start, the car!" Michael yelled. "Oh, okay!" Lauren said as she started the car. "Come on! Come on! Come on!" Michael cried and panicked as Ben and Michael hopped in. "Fasten your seat belts!" Lauren said. Michael and Ben put their seat belts on. "Okay, go!" Ben said, immediately. "So, tell me how was Kings Dominion!" Lauren asked, who isn't paying attention. "Can we explain on the way to Baltimore?" Michael shouted. "But why?" Lauren asked, wonderly. Ben looked out the window and saw Poppy and the Banana Splits Animatronics chased toward them far away on the parking lot. Ben said, hurriedly, "Just drive!" "Okay!" Lauren said. Michael pressed onto Lauren's peddle to drive away to Baltimore! After they got away, Poppy, and the Banana Splits Animatronics stopped running. Poppy got mad and said, "We lost them! How are we going to catch them now?!" Animatronic Snorky spotted at the Banana Buggy car. Animatronic Fleegle turned around and said, "Spot on Snorky! To the Banana Buggy!" Poppy and the Banana Splits Animatronics hopped on the Banana Buggy and drove after them.

On their way to Baltimore, Lauren asked, "So, tell me Michael, what happened when you and Ben are at Kings Dominion? Didn't you have fun?" "Yes, we use to, but we discovered one abandoned studio attraction that was run down!" Michael explained. "We saw the door opened, so we hid and spied on the bad guy and the banana splits an..." "You shouldn't spy on them!" Lauren interrupted and said. Ben exclaimed, "I know I tried to warn him, but please trust Michael!" "And you said that the Banana Splits are with a bad guy?" Lauren asked, thoughtfully. "I thought they're goofy characters!" "No worse, they're animatronics! Like from the 1980's Chuck E Cheese animatronics!" Michael explained. "We were there and a bad guy named Poppy said, 'In two weeks, we tear two theme parks to the ground! I think the real Banana Splits are goofy, but the joke is on the animatronic Banana Splits! Do the maniacal laugh!'" "Did she talk to them like that?" Lauren asked. "Did the animatronic Banana Splits laugh maniacally?" "Exactly!" Michael and Ben said. "However, we got to find the Mystery Inc. gang at their clubhouse in Baltimore! They know how to solve the mystery! They know what to do!" Michael said. "Could we just call the police?" Lauren asked. "Lauren, remember we watched

What's New Scooby Doo series of how Shaggy and Scooby and the gang solved mysteries all the time when we're younger?" Michael explained. "Could you please take us to the Mystery Inc. Clubhouse in Baltimore?" "Well okay, but how can we find Shaggy, Scooby, and the Mystery Inc. gang?" Lauren asked, Ben found the address. He said, "Here, I can help you find their address. Lauren, Ben, Michael, and Harry drove up to Baltimore to find the Mystery Inc. Clubhouse.

When they arrived at the Mystery Inc. Clubhouse in a neighborhood next to the city of Baltimore, Michael, Ben, Lauren, and Harry walked up to the front entrance. Lauren pointed at their Mystery Machine. She said, "Look at the Mystery Machine Harry!" Harry barked. "I hope there's someone there to help us!" Michael cried. "Is there a door bell or something?" Ben asked. Michael spotted a chain puller and said, "Ah, this chain puller thing is like a door bell! Here we go!" Michael pulled the chain down and suddenly, a roar came out of the horn, saying, "Greetings strangers who found a mystery to solve!" "Aaahhh!" Michael and Ben cried. The strange voice from the horn continued, "You're welcome to trespass Mystery Incorporated! Now pay the price for... Suddenly the strange voice glided to Shaggy's voice. "Rah, Raggy,

The voice yowls like you now!" Scooby
exclaimed from the horn. "Aaahhh!" Shaggy cried
from the horn as he turned the voice off. Michael,
Ben, and Lauren gasped. Shaggy and Scooby rushed and
opened the door. "What's song with rit?" Scooby
asked. "I don't know, Scoob!" Shaggy asked as he
stared at Michael, Ben, Lauren, and Harry in the
front door. "Zoinks! Like, who are you?" Michael
introduced Ben, Lauren, and Harry by saying, "My name is
Michael de Groot! I have autism! This is my sister,
Lauren de Groot, her dog, Harry, and my best friend,
Ben Nilson!" "Hi!" Lauren waved. "It was nice to meet
you!" said Shaggy, as he shook Michael's hand. "Thanks
Scooby and Shaggy!" Michael said with a compliment.
"You know our names?" Shaggy gasped. "Daphne's,
Velma's, and Fred's! We know you're one talking dog!"
Michael said. "Rog Rhere?" Scooby joked. "Right
there!" Michael pointed out. Lauren chuckled. "Rice
ro reet you rall!" Scooby smiled. "No, it's Nice.
to meet you all!" Ben chuckled and corrected
Scooby. "Rat's rhat Ri raid!" Scooby said. Shaggy
explained, "Scooby likes to talk starting with the letter
"R". He'll work on it, but come on in!" Shaggy
and Scooby let Michael, Ben, Lauren and Harry
inside. When they walked inside, Shaggy stood in
front and greeted, "May Scoob and I give you

a grand tour of Mystery Inc. Headquarters!"

"I thought it's a clubhouse!" Michael asked, thoughtfully. "Ro'll ree!" Scooby explained.

First, Shaggy and Scooby showed them the living room with Daphne sitting and watching TV. "This is the living room where you hang out!" Shaggy said as he pointed to Daphne. "Oh, this is my friend, Daphne!" "We already know, Shaggy!" Lauren said.

"Sorry!" Said Shaggy. "Hey Shaggy, who are those people?" Daphne asked. "This is Lauren, Michael, Ben, and Harry!" Shaggy introduced their names to Daphne.

"Nice to meet you!" Said Daphne. "Right now, let's continue the tour!" Shaggy said. Secondly, Shaggy and Scooby showed them the kitchen. "This here is the kitchen, where we cook and eat all kinds of food!" said. Thirdly, Shaggy and Scooby showed them the Mystery Machine in the garage with Fred. "In this garage, there's Fred and the Mystery Machine." Shaggy said as he pointed to the Mystery Machine and Fred. "Hey Shaggy, I see you brought some guests!" Fred said. "Who are they?" "This is Lauren, Michael, Ben, and Harry!" Shaggy introduced their names to Fred. "Pleasure to meet you all!" Said Fred. "Let's keep moving guys!" Said

Shaggy. Forthly, Shaggy and Scooby showed them their bedroom. "Let me show my room! I mean our room!" Shaggy said. Michael, Ben, Lauren, and Harry looked around their room. "In here, we have a bunk bed where Scooby and I sleep," Shaggy continued. "We also have video games, action figures, roller skates, skate boards, balls, and even a collection of Blue Falcon Fury. I'm a big fan of Blue Falcon!" "I'm a big fan of Bill Nye, the Science Guy!" Ben said. "Really? We seen Bill Nye, the Science Guy too!" Shaggy said. "Reah!" said Scooby. "That's why we work for Bill Nye!" Ben exclaimed. "Me and Harry are a big fan of you two!" said Lauren. "Thanks, Lauren!" said Shaggy with a compliment. "Yeah, but where's the clubhouse?" Michael groaned. "Follow me!" said Shaggy, as he led the way. Finally, Shaggy and Scooby showed them Mystery Inc. Clubhouse in their back yard. "This is our Mystery Inc. Clubhouse!" Shaggy said as he pointed to Velma working on her computer. "Hey Velma! Looked who stopped by!" "Jinkies, who are your guests?" Velma asked. "This is Lauren, Harry, Michael, and Ben!" Shaggy introduced their names to Velma. "Nice to meet you guys, but what are you

all doing here?" Velma asked. "We need your help!" Michael exclaimed. "Can we talk with Daphne and Fred inside your house?"

Soon, Shaggy, Scooby, Velma, Daphne, and Fred were gathered together in the living room. "So tell us what happened?" Daphne asked. Michael explained a whole story: "Bill Nye wants Ben and I to meet you guys, but first, we had fun riding on Scooby-Doo Ghoster Coaster, and Haunted Mansion at Kings Dominion because our old Hanna-Barbera Land came back, but we found an abandoned run-down attraction called Taft Studios!" "Whoah, whoah, whoah! Did you say there's a Scooby-Doo Hanted Mansion and Ghoster coaster?" Shaggy interrupted and asked. "Like we're digital!" "Yeah, digital!" Scooby said. Michael continued, "Yes it is, Shaggy, but when Ben and I sneaked inside Taft Studios, there's a bad guy named Poppy along with her Banana Splits!" "Yes, I know her and the Banana Splits! She's going to buy Banana Splitville at Hard Rock Park in Myrtle Beach South Carolina and turn it into a Banana Split... some sort of... museum!" Fred interrupted and said happily. Ben explained to us, "No it isn't, Michael is trying to tell you is Poppy is making an evil plan with the Banana Splits as animatronics is to tear down two of the theme

parks, kidnap children, and replace the Banana Splits!"
"What?" Velma cried. "Well, we know the Banana Splits
at Hard Rock Park in Myrtle Beach!" Fred said. "But
they're animatronics! They're bad guys!" Michael cried.
"Actually, down at Banana Splitville, when I was
five years old, my mommy and daddy took me
to visit the Banana Splits! They hugged me and
they're goofy!" Fred explained the story. "Say, let's
take the Mystery Machine down to Myrtle Beach,
South Carolina!" "We already had my car outside!"

Lauren said.
Suddenly, someone was facetimeing on Michael's
phone. Michael picked it up and answered, "It's Bill
Nye!" "Now that Bill is pretty!" Ben said. "Michael,
my friend! Hey, I was just watching the news
that you and Ben discovered an abandoned broken
old studio attraction! Then, you and Ben were
being chased by the Banana Splits animatronics
and a bad guy, named..." Bill said on Face time.
"Poppy!" Ben told Bill the answer. "Poppy, yes! But
check out the news!" Bill said as he sent Michael
CBS 6 News video. On the news, a news reporter
announced, "We heard today that a teen with Autism,
Michael deGroot, along with his best friend, Ben Nilson
for working together on Bill Nye Saves the
World had a wonderful time with a grand

reopening of Hanna-Barbera Land at Kings Dominion until they discovered an run-down broken Thaft Studio attraction! Here's Claudia to report the situation!" The CBS 6 News switched to live streaming with Claudia. She announced, "Thank you, Jake! Here I am at the grand-reopening of Hanna-Barbera Land in Kings Dominion! I also found a burnt locker of the freight door cage. The police were investigating foot prints of a teen and foot prints of the Banana Splits!" An officer came out and said, "Those Banana Splits are animatronics! Listen ladies, gentlemen, and children of all ages, keep your children safe, but they come to attack them, and especially you, call and report to me and the cops immediately!" When the news was over, Bill said on Facetime, "Now, do you understand? The Banana Splits animatronics is on their way!" "Don't worry, Mr. Nye, Michael and I founded Shaggy, Scooby-Doo, and the Mystery Incorporated gang," Ben said as he showed the camera to Shaggy, Scooby, Velma, Daphne, and Fred. "Well, I just want to call and say, Congratulations!" Bill on Facetime said with a compliment. "Thanks Mr. Nye!" Michael smiled. "Hey, no problem, but this isn't that sort of thank you! I got you something!" Bill said on Facetime. Suddenly, the plane flew over with a box falling down with a parachute. "An air drop?" Michael asked, thoughtfully.

"For the mic-drop!" Said Bill as he suck his finger on his lip. The box landed slowly to the ground. The box turned into a futuristic van with a bow-tie of Bill Nye, the Science Guy in front as a licence plate. "What is that?" Michael, Ben, and Lauren asked and cried. Bill introduced the futuristic van, "It gives me great pleasure to introduce the future of Mystery solving, the Mystery Machine X!" Michael opened the door and looked inside. He gasped, "Whoah, electric, massive touch screen, and auto-claim! This thing has it all!" "Except his soul!" Lauren joked. Michael pressed the hologram touch screen. Bill Nye appeared as a hologram. He announced, "Hello Mystery Incorporated! Welcome to the Mystery Machine X!" "Actually, Mr. Nye, it's just us! Michael, Ben, and Lauren!" Ben corrected Bill. "Wow, and you made nav-computer look like you!" Michael said, excitedly. "Better, this actually is me! I'm just talking to the vehicle now!" Bill said from his house to the hologram. "I'm chilling at home checking to see how you boys, and a girl are doing! I'm still going back to work when you all are ready!" Bill showed a map computer and a science resource combined in one package in a hologram. He explained, "Unlike an map computer, a science resource, and a friend all wrapped up in one convenient package! Being a hologram is highly

entertaining! Hang on Nye ritters! "The Mystery Machine X popped up a touch screen automatic steering wheel, strapped Michael, Ben, and Lauren in their seat belts, used robotic arms to self-drive them around town. "So you're going to what? Ride around and solve mysteries with us?" Lauren asked, thoughtfully. Bill disguised himself as a hologram defective. He said, "Why not?! It sounds like fun!" "What if the Banana Splits animatronics showed and caught us, or if we have to go the bathroom?" Michael cried. Bill explained, as he pointed to automatic touch screen steering wheel in hologram, "Well, there's a real computer inside this thing too, although it's not as charming as I am! Just press the "Bill Me Now" button to summon me and "Bill Me Later" to switch to auto-pilot! By the way, if you need to go use a bathroom, just find restrooms in any public places. And about the Banana Splits animatronics, you see, the more complex than decisions, the weirder, the scarier to handle and feel off to the machine. But the fact is, artificial-intelligence is here! The Banana Splits animatronics are made of artificial-intelligence. It's like a robot from the Disney film, Tomorrowland. It's only become more advanced and how we manage it in the future

is what this show is all about." The Mystery Machine X drove Michael, Lauren, and Ben back in front of their Mystery Inc. Headquarters House. "Wow, this is so generous Mr. Nye! Thank you!" Michael said, excitedly.

Then, Shaggy, Scooby, and Harry came outside. Shaggy cried, "There you are Lauren! I've been looking everywhere for you! Like, Harry doesn't like my dog, Scooby!" Harry growled and barked at Scooby. "It's okay, Shaggy! I'll train him!" Lauren said as she put Harry's mask on and walked him inside. "Where have you been, Michael?" asked Shaggy. "It's a long story short! First Bill Nye, the Science Guy face timed me! Michael tried to explain. But Scooby interrupted and suggested, "Rey, ret's ro ree Rill Rye!" "Maybe later, Scooby!" Michael continued. "So, he sent me a huge package is our all new Mystery Machine X!" "Rolly Row!" said Scooby. Fred opened the garage door and came outside. He gasped, "Wow! What is that thing?" "Oh boy, he's going to introduce the whole thing like what Bill Nye says," Ben groaned. Michael repeated in what Bill Nye said, "It gives me great pleasure to introduce the future of Mystery Solving, the Mystery Machine X! Where it has a massive automatic touch screen steering wheel that both says, "Bill Me Now" and "Bill

Me Later," a map computer, a science resource, and our friend, Bill Nye in one hologram!" "Cool! Well, we already have our own Mystery Machine!" Fred exclaimed. "Are you sure?" Ben asked. "Your Mystery Machine is getting pretty old!" "I love this old van!" Fred said as he hugged the Mystery Machine.

Then, Shaggy's girlfriend, Crystallina with her dog, Amber drove by in her Jeep. "Hey Shaggy! Hey Scooby! Ready for a date to Johnny Rockets restaurant?" Crystallina asked. "Like, we like to, but right now, we're solving the mystery to find out if the Banana Split characters are animatronics! So Fred is taking us to Banana Splitville at Hard Rock Hotel in Myrtle Beach, South Carolina!" Shaggy explained. "Oh, well, I'm... I meant, we're coming with you!" Crystallina said. "You are?" Shaggy asked. "Sure! Amber and I were exploring places!" Crystallina exclaimed. "So do we?" Michael said, excitedly. "Really?" Crystallina asked. Ben explained, "Yes, but we saw a bad guy named Poppy with her animatronic Banana Splits making an evil plan to tear two theme parks to the ground, kill, and capture children to make the Banana Splits robots still go on!" "Oh no!" Crystallina asked, "Well, what's your name?" "I'm Ben Nilson and this is my best friend, Michael de Groot, and her sister Lauren de Groot with her dog, Harry inside," Ben

introduced themselves. "What's yours?" "I'm clear in
Crystallina! That's my name and this is my dog, Amber
Crystallina introduced themselves too. "Very nice
to meet you two!" Michael said. While Daphne and
Velma hopped in their old Mystery Machine, Fred
asked, "Ready to go, guys?" "We may have a second
thoughts, but we'll be okay as long as we stick together."
Shaggy cried. Shaggy, Scooby, Fred, Crystallina and
Amber hopped in their Mystery Machine. When Lauren is
done training with Harry, they went back out. Lauren
said, "Okay, we're ready to find the Banana Splits in
Hard Rock Park in Myrtle Beach, South Carolina."
"Lauren, we just spied on them! They're bad guys."
Michael cried. Ben put his hand onto Michael's shoulder.
He said, "I know they're animatronics, but we're going to
Banana Splitville at Hard Rock Park, not back at Taft
Studios at Kings Dominion! Everything is going to be
okay!" Michael, Ben, Lauren, and Harry hopped on
the Mystery Machine X. Michael forgot that he needs
his driver's licence. "Wait, Mr. Nye! I don't have my
driver's licence!" Michael said, thoughtfully. "You can
use Ben Nilson's licence to ride in a self-driving
van!" Bill exclaimed in hologram. So both the old
Mystery Machine and the Mystery Machine X
drove down to Hard Rock Park at Myrtle Beach,
South Carolina.

Suddenly, after they left the Mystery Inc

headquarters house, Poppy and the Banana Splits animatronics stopped by right next to the Mystery Inc. Headquarters house. They got out of the Banana Buggy and broke inside. Animatronic Drooper went in the kitchen and grabbed a jar of Hot Peppers and a box of Scooby Snacks out of the refrigerator. He sniffed at them and said, "I smell Scooby Snacks and Hot Peppers! Where do they come from?" Animatronic Snorky came out of the Mystery Inc. Clubhouse with a picture of Shaggy, Scooby, Velma, Fred, and Daphne playing frisbee at the beach. "Oh give me that you moron!" Animatronic Bingo said, sternly, as he grabbed and looked at the picture. "Banana Cadabra! Poppy! Looks like those Meddling kits were on their way to solve the mystery." Poppy was watching CBS News that the children and their parents were running away from King's Dominion parading. The news reporter announced, "Now the kids and adults are getting away from King's Dominion while the cops are protecting Homa Barbera Land so the animatronic Banana Splits won't come and attack them." Animatronic Bingo came over with a picture. He growled, "Hey Poppy! Look who's finding a clue now!" Poppy looked at the picture. She got so mad. In fact, Poppy said, "Looks like the cops are solving the mystery too, look! The Banana Splits animatronics watched the news too." "Forget about the cops!" Animatronic Drooper said, angrily, as he demonstrated the

future using his Hot Peppers and Scooby Snacks. "Once those Meddling Kids and their Hot Dog solved the mystery on us, they will call the cops to arrest you and we'll loose forever!" "You're right! The show must go on!" Poppy said, angrily. "Fleegle, do the maniacal laugh. Animatronic Fleegle laughed maniacally.

Mean while, both the old Mystery Machine and the Mystery Machine X arrived at the front entrance of Hard Rock Park at Myrtle Beach, South Carolina. "Well, here we are! Let's go!" Fret said as he led the way. When Michael, Ben, Lauren, Harry, Crystallina, Amber, Shaggy, Scooby, Velma, Daphne and Fred walked inside, all of the attractions, theaters, rides, and studios were old, broken, weak, rusty, overgrown and run-down. "Oh man, this amusement park isn't very amusing!" Shaggy cried. "Reah!" Scooby cried too. "Everyone, stay close!" said Velma. When they walked all the way to Banana Splitsville, they looked around. "Hello?!" Fred called out. Harry sniffed at the mailbox and the Banana Splits house. Lauren turned around and asked, "What is it, Harry? Is it inside their house? Guys, this way! Over here!" Michael, Ben, Lauren, Harry, Crystallina, Amber, Shaggy, Scooby, Velma, Daphne, and Fred walked inside the Banana Splits house. "Hello?!" Velma called out. Suddenly,

Michael spotted a rock tied on a rope. He looked up and saw the Banana Splits up high on the net. "Uh, Ben! We should run for our lives!" Michael cried. Ben looked up too. Shaggy and Scooby came over to look up too. Scooby jumped onto Shaggy's arms. "Yikes! It's the Banana Splits animatronics!" Shaggy cried and panicked. "No, no, no, it's alright!" Real Drooper said above. "It's really us!" Real Fleegle said above. "We're not animatronics!" Shaggy and Scooby hid behind the beanbag. "You're a liar!" Michael said, sterning. "Trust us and help us out of this!" Real Bingo said above. "No we can't!" Michael shouted. Then, a moose on the wall said, "The truth thing is that the Banana Splits are real! They are a nice guys!" "If you're really the Banana Splits, how come you're on the news?" Michael asked, as he showed them both the wanted sign and the paper. "He'll explain what's going on?" Bingo said above. The moose on the wall explained the whole story, "After we cancelled our Banana Splits show in 2009, we invited more visitors and children who loved us. During closing time, another animatronic creator ~~that~~ went in our house and set up a trap with a banana split sundae on the ground." "Ah, yum! A Banana Split Sundae!" Fleegle in the story said. "Drooper, Bingo, and Snorky over here!" "Right when the Banana Splits picked up a Banana

Split Sundae, Karl launched the rock to the ground and the net trapped the Banana Splits above ground, "The moose on the wall continued. "He broke the copyright laws by gathering up mascots from football stores, spare parts of a robot, and mechanical parts from a machine." While Karl put the animatronics of the Banana Splits together, Karl said with his evil laugh, "Someday, the Banana Splits will have a veb oot in the future for them! Too bad, you boys will be unpopular from your fans! All the children will hate you! Gwahahaha!" "What are you doing to us?" Bingo in the story asked. "You won't get away with this!" Fleegle in the story said, angrily. "I have been getting away with this for over 30 years!" Karl said as he programmed the animatronic Banana Splits. After Karl finished building the Banana Splits animatronics, they came on and both said, "Tra, la, la, laaaa! Hey Karl, put on your hap-happiest faces because we're gonna make the showgoon forever, and ever, and ever!" "What's the losers now losers?" Karl said with his evil laugh as they left the Banana Splits house. "Gwahahaha! Losers!" "As the years passed on, visitors stopped going to Hard Rock Park!" The moose on the wall continued. "The Banana Splits animatronics took over Taft Studios at Kings Dominion! Some kids died and some kids escaped." "So, is Karl a bad guy now?" Michael asked. "Another bad guy named Poppy killed him. Then,

a birthday boy's parents pulled off their animatronics. Poppy rebutt the Banana Splits remains." The moose on the wall told Michael. "But Poppy and the Banana Splits we're planning to tear down two theme parks to the ground, kill, and kidnap children!" Lauren exclaimed. "Yeah, this is serious!" Bingo said above. "Well, the only way to save Banana Splitville and this theme park is to raise, \$10,000,000!" Ben explained. "We spied on them!" "What? \$10,000,000!" Fleegle said above. "Well, you should go in Taft Studios." Drooper said above. "I know! I'm sorry!" Michael cried. "But, how are we going to raise \$10,000,000 for this property?" "If you help us get down from here, we'll help you find a way!" Fleegle said above. Michael felt nervous. Ben put his hand onto Michael's shoulder. He said, "Don't feel scared, Michael! We already know they're really good guys!" "Well, okay!" Michael shook, nervously. Michael and Ben cut the string to drop the net down. The real Banana Splits fell to the ground. "Good show! What's your name?" Fleegle asked. "I'm Michael deSoot! This is my best friend, Ben Nilson! That's Lauren deSoot and her dog, Harry!" Michael introduced themselves. "What a cute dog!" Fleegle said, as he petted Harry. "I'm Fred, and this is Daphne and Velma! And..." "Don't tell me! Your Scooby-Doo and Norville!" Drooper joked. "Rut,

Yo!" Scooby chuckled. "Like I told you, everyone calls me, Shaggy." Shaggy chuckled too.

Suddenly, Poppy and the Banana Splits animatronics found Shaggy, Scooby, Fred, Velma, Daphne, Crystallina, Amber, Michael, Ben, Lauren, and Harry, and the real Banana Splits. "Ah, if it's another Fleegle and the Banana Splits that are a clone of us!" Animatronic Fleegle said. "You're wrong! We're good guys! We are real!" Real Fleegle said, angrily. "Ah, if this weren't eddling kids and one stupid dog!" Poppy said, with her evil laugh. "Gwa hahaha!" "Rog rere?" Scooby joked. "And you girl and her dog helped those boys escape!" Poppy said, sternly. "I'm Lauren deGroot and my dog, Harry!" Lauren yelled back. "That's Michael deGroot and Ben Nilson!" Harry growled at Poppy. "You boys saved Karl's Banana Split's animatronics! Did you?" Poppy said, sternly. "I told you that we're definitely real!" Real Bingo said, angrily. "Snorky will hammer him down!" Animatronic Drooper said, as he pointed to Real Snorky. Animatronic Snorky grabbed Real Snorky's trunk too hard with a phist. "Zoinks! Those Banana Splits are real!" Shaggy said, since now he heard a honk for real. "Now, Scoob!" Right when Animatronic Snorky hold up the fire sprayer, Scooby

pulled down the rock on the rope. When Shaggy pulled Real Snorky off the net at the bottom, the net trapped the animatronic Banana Splits, especially Poppy. "Yes! The trap worked Scoob!" Shaggy said, happily. "Give me four!" Shaggy and Scooby gave each other a high four. "Boys, run now!" Ben called out. After Michael, Ben, Lauren, Harry, Crystallina, Amber, real Banana Splits, and the Mystery Inc. gang got away, Animatronic Bingo used a saw to cut the net. After Poppy and the Banana Splits animatronics fell down, Poppy said, angrily, "Get those boys, Shaggy, and his dog too!" Poppy and the Banana Splits animatronics went after them. Michael, Ben, Lauren, Harry, real Banana Splits, Crystallina, and Amber, and the Mystery Inc. gang were being chased by Poppy and the Banana Splits animatronics. "Michael, where should we hide now?" Shaggy shouted. Michael spotted an old rundown Maximum RPM roller coaster. He shouted, "Guys over there!" Michael, Lauren, Ben, Harry, Crystallina, Amber, Mystery Inc. gang, and real Banana Splits hopped on a rusty cart. "Get ready to start screaming now! Keep your arm and legs in the ... rusty cart at all time! Enjoy your escape!" Ben said, hurriedly, as he pushed the cart down

the track. "Uh, Ben, I don't think this is SAFE!" Lauren screamed, as they rode down the roller coaster. In the back, Poppy saw them riding down the roller coaster. Poppy and the Banana Splits animatronics hopped on another rusty cart. "Follow that kids, boys and dog!" Poppy said, angrily as they rode after them too. Michael, Ben, Lauren, Harry, Crystallina, Amber, and the Mystery Inc. gang were having fun riding on the roller coaster except the real Banana Splits. "I never ridden a roller coaster in my life!" Real Drooper cried. Real Fleegle felt dissy. "I think Snorky is going to feel sick!" Fleegle joked. Snorky threw up out of the cart. Fred saw another track on another side and a broken track in front. He told them, "Everyone hold on!" "Aaaaahhhh!" They all screamed. Fred tilted the cart and sped it up. The cart flew over and landed back on track. "We made it!" Michael shouted. In the back, Poppy and the Banana Splits animatronics gasped when they saw the broken track ahead. "Stop the cart!" Animatronic Bingo cried as they tried apply the brakes, but it was too late. Poppy and the Banana Splits animatronics in the rusty cart fell off the track and crashed onto the Ferris Wheel.

On top of the track, Lauren said, happily, "Horray! We're safe now." Suddenly, the rusty cart stopped on an old broken ferris wheel. "Or not!" Lauren groaned. Then, there was trouble, Animatronic Drooper used a fire spray can to spray fire on an axle screw. Then, the ferris wheel rolled down and out of Hard Rock Park. Michael, Ben, Lauren, Harry, Amber, Crystallina, and the Mystery Inc. gang were having a lot of fun riding on the ferris wheel down town, except the real Banana Splits. "Wha-hoo! Isn't this fun?!" Michael said, excitedly. "This is definitely not!" Real Fleegle cried. Right when the ferris wheel rolled into Myrtle Beach international airport, the plane was about to take off. The ferris wheel rolled on top of an airplane, while it took off in the air, and flew over. Michael saw ahead the ocean and the pool below. Michael said, "Every one jump!" "Are you serious, we'll die if we do?" Shaggy cried. "I see the pool below! We'll make a perfect landing if we jumped!" Michael exclaimed. "Are you sure we can go swimming?" Ben asked. "Trust me!" Michael shouted. "Aaaaahhhhh!" Michael, Ben, Lauren, Harry, Crystallina, Amber,

the real Banana Splits and the Mystery Inc. gang screamed as they jumped off the ferris wheel and fell into Crown Reef Beach Resort pool. On the Ferris wheel, the ferris wheel was about to fall in the ocean. "Aaaahhhh!!!" Poppy and the Banana Splits animatronics screamed as they fell and then splashed into the ocean.

At the Crown Reef Beach Resort, Michael, Ben, Lauren, Harry, Crystallina, Amber, the real Banana Splits, and the Mystery Inc. gang got out of the pool. "Boy, that was a great swim! Isn't Snorky?" Fleegle asked. Snorky honked and nodded. Crystallina got up and asked, "Are you alright? Scooby?" "Rim rokay!" Scooby said, as he shook his wet fur off. "Scooby-Doo! We survived!" Shaggy said, happily as he hugged Scooby. "If everyone is okay, where should we go first?" Michael asked, as they gathered around. "I know there's tons of TV Networks to perform our show!" Drooper said, as he lead the way. "Follow me!" Crystallina, Amber, Shaggy, Scooby, Velma, Daphne, and Fred walked back to their old Mystery Machine and drove off. Michael, Ben, Lauren, Harry, Fleegle, Bingo, Drooper, and Snorky walked back to the Mystery Machine X and drove with them.

Meanwhile, on Myrtle Beach, Animatronic Bingo use a fire spray can to fire spray and push the ferris wheel toward shore like a jet engine and a motor. When the ferris wheel came to a stop on the beach, Poppy and the Banana Splits animatronics got out. "I'm glad we don't have to go for a swim!" Animatronic Drooper said. "That's because we're animatronics! You know, robots can't swim!" Animatronic Bingo, angrily, "Yes, but now we lost them!" Animatronic Fleegle said, sternly. "How are we going to find them now?!" Poppy looked around and saw the metallic putting clown down at Cancun Lagoon Adventure Golf. She had an evil idea! "I know how!" Poppy said with her evil laugh, "Gwa hahaha!"

Meanwhile, both the old Mystery Machine and the Mystery Machine X stopped at the TV Show Networks. "Come on Banana Splits! Let's go pitch a telethon and get you guys back on TV!" Fred said to Michael, Ben, Lauren, Harry, Crystallina, Amber, and Banana Splits, and the Mystery Inc. gang got out. First, they asked Fox. She said, "No!" Next, they asked NBC. He said, "No!" Then, they asked Univision. He said in latin, "Ucipino!" "That's wonderful!" They

gasped, happily, if they don't understand his language. He said in English, "That means no!" Finally, they asked Gayle King at CBS. She kindly said, "Look, Shaggy, I still love all of you since I was a kid. Unfortunately, the Banana Splits aren't famous anymore. "Rat ras ra rash rone!" Seedy said. "Take a look at this diagram we drew up," Gayle said, as she showed the diagram. "This circle represent everything that is currently popular. This tiny speck is you guys. So, the answer is no!" Gayle turned on her TV to demonstrate she said, "Take another look at one of this show is popular now!" On Gayle's TV, it shows a popular TV show, "Ice Cube's Snowball fight." Where an Ice Cube costume guy threw snowballs at the kids. "I'm sorry! It's never going to happen! Have a good day!" Gayle continued. Right when Michael walked to the door, he said, "Before we go, I would like to say I may feel disappointed, but thank you for... Suddenly, Charlie Rose came to the door and interrupted, "Gayle, bad news! Ice Cube's Snowball fight has been stopped production! It has been sued to the copyright of Fox! I just found out!" Charlie ripped out Ice Cube's Snow Ball fight TV schedule.

Gayle asked, "What are they supposed to do without a black hole in the schedule coming up in 2 days?" Then, Gayle figured out what to replace on their TV schedule. She announced, "Okay, Banana Splits! You got a show!" Michael, Ben, Lauren, Harry, Crystallina, Amber, Banana Splits and the Mystery Inc. gang cheered happily. Michael came up and said, "Thank you so much! You will not be sorry! I promise!" Then, Gayle interrupted and told Michael and Ben, "Wait! 1. Rebuild Taft Studio attraction and bring visitors! 2. If the animatronics Banana Splits ruins our show, call the police!" "Okay, don't worry! We'll make the show go on! I promise we'll take care of all of this!" Ben said.

Later, when both the old Mystery Machine and the Mystery Machine X arrived back at Kings Dominion, Michael, Ben, Lauren, Harry, Amber, Crystallina, the Banana Splits, and the Mystery Inc. gang asked the security guard for permission to directly go in through Taft Studios. They walked all the way back to the Taft Studio attraction. They looked around inside to see if Poppy and the Banana Splits animatronics are still in there. "Uh, Velma, if there's the Banana Splits animatronics and Poppy, should we call the police and report to Judge Judy?" Shaggy cried. "Guys, look!

Poppy and the Banana Splits animatronics aren't in here, we lost them," Velma said. "That's where Ben and I found them," Michael exclaimed. "Well, welcome back, everyone!" Fleegle announced in front. "I know this old place is run down by the Banana Splits animatronics! But, don't worry, we'll be fine!" "Uh, Fleegle, there's no way to perform our telethon like this!" Drooper said. "Wait Fleegle, don't say another word, Daphne, Michael, Ben, Lauren, and I would be happy to rebuild this attraction! We'll show you your worth perserving!" Fred announced too. "Okay! Let's get this place cleaned up!" Bingo said. Fred and Daphne brushed the bleachers and stage floor. Scooby and Shaggy scrubbed the walls and musical instruments. Snorky spray cleaned the wheel. Lauren and Velma brought over banana radios. Drooper and Bingo replaced the animatronics mechanical engineering with memory photos, celebrity roldod, computers, and office supplies. Michael and Ben put out bean bags. Fleegle took off the wheel of endings and replace with a mailbox. Fred and Daphne got the magic show ready. Finally, Velma put the moose on the wall. Soon, Taft Studios attraction was all finished. "Wow! Great job every body!" Ben said. "I

Can't believe this is one coolest attraction ever!" "Okay, Fleegle, Bingo, Drooper, and Snorky! You boys hand out flyers to the visitors at King's Dominion!" Michael said as he passed the flyers to Snorky. Suddenly, Shaggy and Scooby's stomach growled. "Hey Crystallina, we like to see Johnny Rockets! We're starved!" Shaggy cried. "Reah!" Scooby cried too. Crystallina put her hand onto Shaggy and Scooby's shoulder. She said, "Don't worry, boys! We got the best restaurant in town! I'll take you there." "Do you kids want to go or help them out?" Daphne asked. "How about this? Michael and I will go with Shaggy, Crystallina, Scooby, and Amber for dinner and you and Harry can help Daphne, Velma, Fred, Fleegle, Drooper, Bingo, and Snorky hand out flyers," Ben exclaimed. "Okay, Michael and Ben! We'll meet up with you later!" Lauren shouted. "Crystallina, wait for us because the order is on me!" Michael shouted. "Zoinks, like what a great guy!" Shaggy said, excitedly. "Reah Reah!" Scooby said, excitedly too.

Meanwhile, during the sunset evening, Poppy and the Banana Splits animatronics snuck up onto a metallic putting clown with tools and robot machinery parts. Right before closing

time, a boy and a girl came to the the final hole.
"Come on, Jack! The park is almost closed!" Jenne
said. "I made a hole in one at the end of my
game and he didn't give me a free game token."
Jack exclaimed. Jack hit the golf ball and the golf
ball went inside the clown's mouth. "Yay, free
game!" Jack said, happily. "Yay, we can leave now!"
said Jenne. Jack didn't see the token come down.
He honked the clown nose. "You shouldn't do that!"
Jenne said, sternly. "I won my free game!" Jack
shouted. Suddenly, the metallic putting clown
came to life and ate Jack with his tongue.
Inside the metallic putting clown, Jack slid down
inside the ball pit. Jack saw through wired fence
the Banana Splits animatronics controlling the
metallic putting clown. Poppy voiced over the
clown, "Welcome to the final hole! Wanna join
my party for lunch?!" "Aaaahhh!!!!" Jenne
screamed. Then, the metallic putting clown ate
her. "Gwahaha hahaha!!! Who's going to stop
us now?!" Who? Poppy said with her evil laugh while
voicing over the clown.

Mean while, at Johnny Rocket's
restaurant, Crystallina asked, "Aren't you gonna love
the waiter's cooking? He'll take good of you boys!"
"I think we will, Crystallina!" Michael said. The

waiter walked up and asked, "Well kids, aren't you hungry?" "Man, are we ever!" Shaggy smiled. "Come on over to the back! I always have a table open for VIPs!" The waiter said, as he led the way. "Groovy, come on Scoob!" Shaggy said, as he pulled Scooby away. As Michael, Ben, Crystallina, Amber, Shaggy, and Scooby sat on their tables, the waiter gave each of their menus. He said, "Your Mr. Nilson says you can order anything up on the menu, kids! I got a nice juicy ham bone for two dogs! What do you think?" "Relicious!" Scooby said with a lick. "Well not just that! In here, we got strawberry smoothie, milkshake, cheese burger with french fries, chilly hot dog, and Caesar salad, and hot fudge sundae!" The waiter said, as he pointed on their menus. "Sounds great!" Shaggy smiled. "Like give us two orders of everything!" "Oh I love people who love to eat!" The waiter chuckled. "How about you mama?" "I would like a strawberry smoothie, cheeseburger with salad, and strawberry ice cream please?" Crystallina asked. "What would you like boys?" The waiter asked Michael and Ben. "We would like milk, hot dog with french fries, and a hot fudge sundae please?" Ben asked. "Absolutely! Coming your way!" The waiter said. Shaggy and Scooby stared at Crystallina and Amber. They

fallen in love. "What is it, Shaggy?" Crystallina asked, thoughtfully. "Just groovy!" Shaggy smiled. "Groovy? Shaggy, you're talking my lingo!" Crystallina said. "She's wonderful!" Shaggy smiled. "Ro vos Ramber!" Scooby smiled too. Shaggy and Scooby imagined their true love with Crystallina and Amber. Shaggy and Scooby imagined kissing Crystallina and Amber on their wedding, but Scooby and Shaggy accidentally kissed each other. Michael and Ben chuckled. "I said, where did you meet them?" Michael asked. "Uh, who?" Asked Shaggy. "Crystallina and her dog, Amber!" Michael and Ben said. "Well, since I left Scooby at home because there's no dogs allowed at school, I met Crystallina in class, lunch and recess! She told me that she had a dog too!" Shaggy explained. "Oh!" They said. Soon, Shaggy and Scooby were ready to eat.

Back at Kings Dominion, Lauren, Harry, Fred, Daphne, and Velma, and the Banana Splits finished handing out flyers to the visitors. "Great job you guys! Now all we need to do is wait until it gets dark to perform your telethon!" Fred said with a compliment. "Awh, now Snorky and I need a break!" Said Fleegle. "Wait! What about

Michael, Ben, Crystallina, Amber, Shaggy, and Scooby?" Daphne asked. "True, Poppy and the Banana Splits animatronics are on their way with a metallic putting clown toward Kings Dominion!" Drooper announced as he showed them CBS 6 News on his iPhone. On the news, Claudia stood in front 95 highway. She said and panicked, "Hello, here I am on 95! A giant metallic putting clown is gobbling up all the children from Myrtle Beach and now it's heading north toward Kings Dominion!" Then, a young boy grabbed the microphone and cried, "Please help us! It looks like the sound came from Poppy and her animatronic monsters! There are few children left!" Fred, Daphne, Velma, Lauren, and Harry gasped. "Don't worry Drooper! We'll pick them up and destroy that clown!" Velma said. "I thought you're afraid of clowns, Velma!" Daphne said, thoughtfully. "When I was 2 years old!" Velma said. "Well then, take this red juggling bomb! It will destroy the clown!" Bingo said, as he gave Lauren a red juggling bomb. "But you can't start the show without us!" Lauren cried. "Don't worry Lauren! The show will still go on when you kids get back! We'll wait for you!" Bingo said as he gave Lauren a hug. Then Lauren, Harry, Fred, Daphne, and Velma went to the Mystery Machine X to go pick up Michael, Ben, Crystallina, Amber, Shaggy, and Scooby. Back at Johnny Rocket's restaurant,

all the customers gasped and stared at Scooby and Shaggy ate everything crazily. Crystallina, Amber, Michael and Ben chuckled. All customers were starting to leave Johnny Rocket's restaurant. Michael asked, "Why are the people leaving?" "I don't know!" Ben asked. "Are you at least tasting the food?" Shaggy gulped, "Like it's the best food we ever had." "Yeah, delicious!" Scooby gulped and licked his face. Then, Lauren, Harry, Velma, Daphne, and Fred stopped by at Johnny Rocket's restaurant. Daphne asked, "So, how's the food?" "Pretty darned good!" Shaggy smiled, as he wiped his mouth. "You're just in time for our desert!" Michael said. The waiter came back and handed Michael, Ben, Crystallina, Amber, Shaggy, and Scooby sundae deserts! He said, "And here are your deserts and Bill to fill out!" "Thank you!" Said Crystallina. "That's not why we came here!" Fred exclaimed. "Poppy and the banana splits animatronics stole the metallic putting clown at Myrtle Beach, South Carolina and they're devouring up the children! Now, it's getting closer to King's Dominion and us!" "What?" Scooby and Shaggy gasped. "Can you come with us and stop them?" Velma asked. "Like we love to, but haven't finished our desert yet!" Said

Shaggy. "Shaggy is right! I have to go use the bathroom first!" Michael said, as he rushed to the bathroom. "Okay, hurry up finishing your desert!" Velma said. Ben, Crystallina, Amber, Shaggy, and Scooby finished their sundae desert. Right when Michael came out of the bathroom, there was trouble. Outside, the metallic putting clown walked near Johnny Rocket's restaurant. Poppy and Animatronic Drooper stood on the clown's mouth. Poppy said with her evil laugh, "Gwa ha ha ha ha!!! Scooby-Doo, where are you? Come out and play!" "Let's get out of here! I'll take the Mystery Machine!" Fred said. Shaggy, Scooby, Fred, Velma, Daphne, Crystallina, and Amber hopped on the old Mystery Machine. "Well, we're riding on the Mystery Machine X!" Michael said. Michael, Ben, Lauren, and Harry hopped on the Mystery Machine X.

As the old Mystery Machine and the Mystery Machine X drove away, the metallic putting clown chased after them. Inside the Mystery Machine X, Bill Mye appeared in hologram like a cat. He said, "Wow, you guys are doing a fantastic job getting the telethon ready tonight. If I were virtually right here, I would be jealous." "Thanks Mr. Mye! We found the real Banana Splits,

not animatronics, at Banana Splitville in Hard Rock Hotel,
next we stopped at CBS to get our show, and then,
we handed out flyers for the telethon to visitors,"
Ben explained. Michael interrupted and said, "Now Poppy
and the Banana Splits animatronics stole the metallic
putting clown at Myrtle Beach, South Carolina to
eat children up and now they've after us! What should
we do?" "Oh uh well, no! Nothing yet! No idea on
the Banana Splits artificial intelligence yet, but in
order to stop the clown! Lauren, press Bill Me
Later button to switch to auto pilot!" Bill told Lauren.
"Will auto pilot self-destruct?" Lauren asked. "If you
switch to auto pilot, you'll go directly to the giant clown!"
Bill explained. Lauren pressed the Bill Me Later
button to switch to auto pilot. The touch screen
appeared saying, "Manual Override," with danger emojis.
"Engaging auto pilot!" Bill said in the speaker. "Activating
seat adjustment!" Lauren spinned around in a seat.
The window screen appeared, Eject! Bill said in the
speaker, "Adjusting sequence to the exterior of the
vehicle!" Suddenly, the window door opened on the
roof and the seat launched Lauren outside. "Oh,
Bill Nye, what have you done!" Lauren cried up
high. Then, the rockets on the seat launched Lauren.
"I'm okay!" said Lauren. "Lauren be careful
in there!" Ben said. Michael and Ben's seat moved
closer to take the wheel. Michael asked, "So, what
do you think Mr. Nye? Do you have any science

based wisdom to our current situation?" "Well, Michael, if you stacked every ruler on earth end to end between the earth and the moon, they would all drift away before you could measure anything at all!" Bill explained in hologram with rulers, earth, and moon. "Yeah, I thought science is supposed to make people feel better!" said Michael. "Nope, science means to get to the truth, and sometimes the truth hurts!" said Ben. Inside the old Mystery Machine, Shaggy was driving away from the metallic putting clown. Shaggy said, "Like, we're going alright! Away to Taft Studios at Kings Dominion!" On the clown's mouth, Popper told Animatronic Drooper and Animatronic Fleegle, "Destroy the old van!" Animatronic Fleegle used his lazer eyes to shoot at one of the Mystery Machine's tires. Animatronic Drooper used a fire spray to spray fire on the window. The window broke. And the front engine caught on fire. Animatronic Fleegle shoot his lazer eyes on another tire. "Whoah!" They cried. Animatronic Drooper sprayed fire on the back doors. The back doors fell off. In the back, Michael gasped, "Oh no!" Finally, animatronic Fleegle shoot his lazer eyes at the last tire. The old Mystery Machine crashed through the entrance guard gate at Kings Dominion and crashed in the parking lot. "Well, at least we still have one tire!" Shaggy joked. Suddenly, the old Mystery Machine exploded. "No!" Michael cried, sadly. "I know, Michael! I know!" Ben said, as he put his hand

onto Michael's shoulder. "Lauren, please hurry!" Michael cried. Lauren launched her rocket chair to the clown's mouth. The rocket chair unbuckled Lauren and she hopped out. "Lauren Day Groot! Welcome to my funhouse! Wanna join inside?" Animatronic Fleegle said. "It's Lauren de Groot! Let my friends go!" Lauren said, angrily. "I don't think so!" Animatronic Drooper said, as he pushed Lauren down to the ball pit stomach. When Lauren slid down to the ball pit stomach, Lauren asked, "Hey, where did all the kids go?" Then, Jack and Jenne pulled Lauren down under neath the ball pit. "Get down!" Jenne said, sternly. "What do you mean?" Lauren asked. Suddenly, Lauren saw Animatronic Bingo working hard and slowly saw out a wired fence like a door. He almost cut it all out. "I have an idea! stay here!" Lauren whispered. "What are you doing?" Jack asked, sternly. Right when Animatronic Bingo saw the end of the wired fence, Lauren grabbed the saw and destroyed the engine. "No!" Animatronic Bingo said, angrily. Suddenly, the Metallic Putting clown began to timber. "Whoah!" Poppy, Animatronics Drooper and Fleegle cried as they fell inside the clown's mouth. Then, the metallic putting clown began to fell and crashed to the ground in the parking lot. When Michael and Ben parked the Mystery Machine X, Michael, Ben and Harry got out and checked on Lauren. All the children climbed out of the clown's mouth, especially Lauren. She said, "I did it!" They all cheered.

"Yes you did!" Ben said. "Let's go find Shaggy, Scooby, Velma, Daphne, and Fred before the show starts!" After Lauren, Harry, Ben, and Michael left, Poppy and the Banana Splits animatronics got out of the mouth. "Oh great, now the clown isn't working anymore!" Animatronic Drooper said. Poppy saw up ahead the visitors are visiting Kings Dominion for a telethon at Taft Studios attraction. She said, angrily, "We're moving to phase 2 because your show must go on!" "Right Poppy!" said Animatronic Fleegle with his evil laugh "Gwahahaha!" Michael, Ben, Lauren, and Harry ran to the burnt Mystery Machine. Harry sniffed at the door and barked. "In there?" Michael asked as tried to open the door. "Can someone giving me a hand?" Lauren and Ben helped Michael out and the Mystery Inc gang, Crystallina and Amber survived. "You guys are alive!" Ben said, happily, as he gave them a hug. "Michael! Ben! Lauren!" Daphne said, as she gave them a hug too. Shaggy checked the time on the phone. He said, "Look at the time! There's no time to waste! Let's go!" Michael, Ben, Lauren, Harry, Crystallina, Amber and the Mystery Inc gang rushed to Kings Dominion.

Meanwhile, the audience and kids were waiting really patiently for the telethon to be ready. The real Banana Splits were waiting really patiently for them to get back too. "Hurry, guys! Hurry!" Real

Bingo cried. Then, Michael, Ben, Lauren, Harry, Crystallina, Amber, and the Mystery Inc. gang arrived at Taft Studios just in time. "Guys, perfect timing! We have 5 minutes until the show starts!" Real Drooper said. Ben came up and said, "Don't worry, Bingo! His sister, Lauren destroyed the metallic putting clown!" "Sounds perfect!" Real Bingo said. Shaggy came to Real Fleegle and said, "First we have opening theme, then come out with jokes, then your magic show, high wire, juggling, swinging, fan mail, and then a final act." "Okay, we're ready for some kind of entertainment, Shaggy!" said Real Fleegle. "Rood Ruck!" said Scooby. "Alright, you guys do the telethon phone calls!" Real Fleegle said. "We're live in 3, 2, 1!" Fred called out. Fleegle came stage and announced, "Hey kids! Put on your hap-happiest faces, because the Banana Splits Telethon is about to begin!" The real Banana Splits came out of their doors and sang their theme song, "Tra la la - La La La!" They swung on the ropes and kept singing, "One Banana, two Banana, three Banana and four Banana make a bunch of many more Over hailing how the Banana buggies go! Coming down is bringing you the Banana Splits Telethon!" They rocked on their guitars and finished singing, "Tra la la - La la la!" The audience and the kids applauded. "You know, I always dreamed to be on stage," Michael told Lauren. "At least, this is not a nightmare!"

Lauren joked. Drooper came on stage and announced, "Ladies and Gentlemen! Children of all ages! Welcome to the Banana Splits Telethon! We invited guests to take your call!" The lights dimmed to show Michael, Ben, Lauren, Crystallina, Shaggy, Scooby, Velma, Daphne, and Fred making phone calls. "Now it's time to tell Banana Jokes!" Bingo said happily. The real Banana Splits walked up to the door. They opened each of their windows. Drooper asked, "What did the banana do when it solved the ice cream Snork?" Snorky shrugged with a hunk, "It split!" Drooper answered. The audience laughed. Fleegle asked, "Which drink always comes to the rescue?" Snorky shrugged. "Lemon-ade!" Fleegle answered. The audience laughed again. Fleegle asked, "Bingo, which animal talks all the time?" Bingo shrugged. "A yackaty yack!" Fleegle answered. The audience laughed for a third time. Bingo asked, "One more knock knock?" "Who's there?" Drooper asked. "Banana!" Bingo joked. "Banana who?" Drooper joked. "Knock knock!" Bingo joked. The audience laughed and then applauded. In the audition, a phone rang to each of Michael, Ben, Lauren, Crystallina, Shaggy, Scooby, Velma, Daphne, and Fred. A customer on the phone wants to donate money. The telethon score board started to raise

up to \$30,000. Drooper came on stage and announced, "Up next, we got a fan mail to unveil the secret code wheel! Fleege, Mail's here!" "I'm on it Drooper!" Fleege said, as he came to the end of the stage with a net. Fleege opened the mailbox and wind of fan mail blew at Fleege. Then, a package aimed at his but to surprise him. The audience laughed. The moose on the wall said, "Looks like Fleege is blown away by the fan mail!" Fleege came back and said, "It's from the record company!" "It's written in secret code! That's why we have is the secret code wheel!" Drooper said. "Get the code wheel Snork!" Snorky pushed the secret code wheel closer. "Set it on red! Same as paper!" Drooper told Snorky. Snorky pressed the button to spin the wheel. The wheel stopped at a checkmark with a key. "A check mark!" Drooper pointed. "You're right, Snork! That's definitely a key!" Bingo said, as he picked it up. "I'm pretty sure the five sides is a pentagon!" Drooper pointed. The wheel stopped at a pentagon and a pot. "A pan!"

Fleegle joked, "Actually, Fleegle, I think it's a pot!" Drooper corrected Fleegle, Snork picked it up. "Hey there are two triangles on there!" Fleegle pointed, "That's right!" Drooper said. The wheel stopped a triangle and a banana. "Banana!" Drooper said. Snorky picked it up. Snorky gathered the wheel cards in order. "Key, pot, Bananas!" They said, repeatedly. "Since they're two triangles in a row, maybe they meant two Bananas!" Drooper pointed them out. "Keep the Bananas as in the Banana Splits!" Fleegle said. The audience applauded. The score board telethon raised up to \$90,000. Meanwhile, Poppy and the Banana Splits animatronics walked up to the front entrance. Poppy saw the show is starting and the telethon score board was rising. She got so mad, in fact, she said, "Is people happening to watch the Banana Splits Telethon?!!" Back in Taft Studios, Drooper came back on stage and announced, "Up next, it's time for Fleegle's Magic show!" Fleegle stood in front of the table with his magic cards and hat. "Hey kids, welcome to Fleegle's Magic show!" Fleegle said. "Wanna see my magic trick?" Fleegle used his

magic wand and said, "Banana Cadabra!" Then a rabbit came out of his hat. "I need one of my audience to draw a card!" Fleegle said. The kids and audience picked a card. "Banana Cadabra!" Fleegle said as he waved his magic wand. "It's an Ace!" The audience applauded. The telethon score board raised up to \$450,000. Drooper came back on stage and announced, "And now I would present a coolest game, Pie in the Face! With a special guest, Scooby-Doo!" Shaggy patted Scooby and said, "Looks like your up to play pie in the face, buddy!" "Ri vink ro!" Scooby chuckled. Scooby came on stage and sat on the table. He asked, "Rere's re rie?" Snorky came over with a pie. Scooby smiled, "Relicious!" In the back, Fleegle used his hammer to dunk Scooby's head onto the pie! He said, "Banana SPLIT!" The audience laughed and applauded. The telethon score board was about to raise up to \$997,000. Fleegle came on stage and told the audience and the audience, "So remember kids, keep on calling and you'll have us reach our goal of \$10,000,000 by Midnight!"

Suddenly, the telethon score board went off and the power went out. Bingo came on stage and said, "Uh, ladies and gentlemen, don't be alarmed, we'll figure it out and sort things out as soon as we can!" Outside the Taft Studios attraction, Animatronic Snorky used the saw to destroy the power. "Well, that's that! Great job, Snorky!" Animatronic Bingo said with his evil laugh. "Gwahahaha!" Meanwhile, in the audition, Velma had an idea. Velma whispered to Daphne and Fred, "I have a plan! Here's what we're going to do!" In the dark, Michael asked, "Uh, Ben, how are we going to raise the rest of the money with no electricity?" "Alright, calm down everybody!" Ben told everyone, as he put on a lantern. "Is everybody okay?" "We can't do the show without power!" Lauren said. "Uh, do you got any bright ideas?" Shaggy asked. "Not now, Shaggy!" said Crystallina. Backstage, Fred and Daphne headed Velma extension wire. Velma pulled the switch to get the power back on. The audience applauded. Crystallina came over and said, happily, "You did it, Velma! You made our show go on!"

While, Michael, Ben, Lauren, Shaggy, Scooby, Crystalline, Amber checked on Daphne, Fred and Velma, Harry didn't join them. He went out to Taft Studios attraction and heard Poppy thinking of another plan with the Banana Splits animatronics. Harry came to the real Banana Splits. He barked at them. Real Fleegle turned around fast and asked, "What is it, Harry?" Real Drooper looked outside and saw Poppy and the Banana Splits animatronics were coming with another plan.

He shouted, "It sounds like Poppy is making another plan with the Banana Splits animatronics to shut us down!" "I'll tell Michael and Ben!" Real Bingo said. "Michael! Ben!" Real Bingo rushed to Michael and Ben. "What is it now, Bingo?" Michael asked. Bingo panicked and exclaimed,

"Poppy and the Banana Splits animatronics were about to make another plan to climb on the roof and shut us down! If she did, we won't be able to reach \$10,000,000 by midnight! You still have the red juggling bomb! Here, Michael! Take this boltcutters! You got to help us by stopping Poppy and the Banana Splits

animatronics." Michael felt nervous that it could be dangerous to stop Poppy and the Banana Splits animatronics. He cried and panicked, "Uh, Bingo, Ben and I can't do this! It's too dangerous or else the Banana Splits will kill us!" Ben put his hand on his shoulder. Ben said, "It's going to be okay, Michael! We'll be safe and fine because I'm coming with you!" Shaggy and Scooby came up. Shaggy said, "Ben's right! Scoob and I will do a painful lesson!" "Reah!" Scooby said. "And Amber and I will destroy the Banana Splits animatronics!" Crystallina said, when she and Amber came over. Lauren came over with Harry. She said, "Don't worry Michael! Harry will bite the Banana Splits animatronics and I'll throw the bomb at them. Right, Harry?" Harry licked Lauren. "And I'll call the police!" Reah Fleegle said, as he hold his phone out. "Thank you all for your help!" Michael said, happily. "Go on, guys hurry!" Drooper said. "Wait! Let's have a Scooby Snacks!" Shaggy said. "Reah Ridea, Raggy!" Said Scooby. Once when Shaggy and Scooby ate Scooby Snacks, Shaggy said, "Let's go Scoob!"

Outside of Taft Studios, Poppy and the

Banana Splits animatronic looked up at the networking tower. Poppy told them, "We're gonna get up on that roof and shut them down for good! Boltcutters!" "Bolt cutters!" Drooper said. Right when Poppy walked over to the ladder, Scooby and Shaggy came in front. Shaggy said, "Stand back! We're warning you!" "Reah!" Scooby said. "Well, well! If it's Shaggy and Scooby-Doo, you came back to be killed by us!" Animatronic Fleegle said. "No, we're not!" Shaggy said, sternly, "We came back for a painful lesson to you!" "What are you going to do to hurt us?!" Animatronic Drooper asked. "We know karate stuff! Hi-ya!" Shaggy said, as Shaggy and Scooby did a karatekung fu fight on the Banana Splits animatronics. Poppy and the Banana Splits animatronics laughed and thought that was so silly. "You put the end of the Banana Splits clone, we'll take care of them!" Animatronic Fleegle told Poppy. While, Poppy walked over to the ladder, suddenly, Animatronic Fleegle and Snorky grabbed Shaggy's shirt and Scooby's collar. Animatronic Fleegle hold out a saw and said, "Now we're gonna give you a real reason to scream!" Scooby quickly grabbed a container of hot

peppers. He said, "Ranna Ry Rot Reppers?" Scooby
saw it hopepers at both Snorky's and Fleegle's
animatronic eyes, but they did not let go of Shaggy
and Scooby. "My eyes are burning!" Animatronic
Fleegle cried as they dropped Shaggy and Scooby.
Harry ran up to the Banana Splits animatronics
with Amber and bite at them. While Harry and Amber
were biting the Banana Splits animatronics, Scooby
saw Poppy was about to climb to the roof. He
shouted "Richard! Ren! Rou rot ro rop Roppy!"
Michael and Ben rushed over to the ladder. Michael
cried, "Ben, I can't do this!" "Yes you can!" Ben said as he
gave Michael a hugg. "Ben, come with me!" Michael
told him. While Michael and Ben climbed up to stop
Poppy, Harry and Amber bit on the Banana Splits
animatronics to rip off their mascot! It remains
the robots of the Banana Splits. Animatronic Bingo
said with his evil laugh, "Gwahahahaha! Aww,
another dog wants to find a silly mystery!
You can't solve us so easily!" Right when
Animatronic Drooper hold out a saw, Crystallina
ran up and kicked Animatronic Drooper and
grabbed the saw. "Hey, give me back the saw!"
Animatronic Drooper said, angrily as he sprayed
fire, but it missed Crystallina. Right when

Animatronic Fleegle got the net, Crystallina flipped over when Animatronic Snorky bumped into him. Meanwhile, Poppy was almost to the top of the network tower. Michael and Ben were getting closer to stopping Poppy. Michael cried, "I don't think we'll make it!" "We're almost caught up, Michael! Keep going!" Ben said.

Meanwhile, Lauren came up and saw Crystallina ran and flipped over by Bingo and Drooper. She used a saw to cut out their artificial intelligence robotic heart and split Bingo and Drooper's head. Crystallina called out, "Lauren! The bomb!" Lauren pressed the self-destruct button. Right when

Animatronic Fleegle and Snorky ran over Crystallina, she cut out their robotic heart and split Fleegle and Snorky's head. Right when Poppy reached up to the top of the network tower, Michael and Ben grabbed Poppy's legs. "Michael! Ben! What are you doing?!" Poppy asked angrily, "Enough, your old show with the animatronics has come to an end! But our Banana Splits show must go on!" Michael yelled back. "But our show must go on, and this is the end of you and your Banana Splits!" Poppy shouted. "Oh you better look down!" Ben said. Poppy looked down and saw the Banana

Banana Splits animatronics were destroyed. She said, angrily, "I always rebuild them to make the show go on!" "And they will self-destruct and you just committed a serious crime!" Michael yelled, as he butt cutted Poppy's bleeding nose and fell into a garbage can. "Whoopsy!" Right when Lauren threw the bomb, they ran for cover and the Banana Splits animatronic remains exploded. When Michael, Ben, Lauren, Harry, Crystallina, Amber, Scooby and Shaggy came closer, they saw the Banana Splits animatronic remains were gone. "Like, we did it!" Shaggy shouted. They all cheered. "Great! Now, we can continue our show until midnight!" Lauren said.

Meanwhile, Real Fleegle came back on stage and announced, "Thank you all for waiting patiently until we figure things out! And now we would present Snorky to do the highest shallow dive! Ready when you are, Snorky!" Snorky honked and made a mighty jump off the tall diving board. Snorky made a big splash at Fleegle, Bingo, Drooper, and the audience. The audience applauded and the telethon score board raised up to \$2,330,779. Backstage,

Michael, Ben, Lauren, Harry, Crystallina, Amber, Shaggy, and Scooby came back. Michael shouted, "Fleegle! Snorky! Bingo! Drooper! We did it! We blew up the Banana Splits animatronics!" "Did you stop Poppy?" Bingo asked. "Actually, Michael pushed Poppy down to the dumpster," Ben said, too. "Well, I called the police! They'll be on their way as soon as the show is over!" Fleegle said. Lauren saw the telethon score board was half way toward their goal. She said, as she pointed out, "Look! We're half way there! Let's do couple of more acts while we take our call back in the audition!" "Good idea, Lauren! Let's go!" Drooper said. Bingo came on stage and announced, "Now, ladies and gentlemen! May I present the amazing Drooper to start a high wire contest!" On the left end of the high wire, Drooper grabbed a stick and walked along the high wire to the right end. "Ta-Daaaaa!!!!" He shouted. The audience applauded and the telethon score board was still raising. Backstage, Michael looked at the clock ticking at 11:50 PM. It was almost midnight. He can tell they're running out of time. Michael came over to Fleegle and Snorky. He whispered, "Fleegle, we're almost running out of time because it's 11:50 PM." "Oh my gosh! Thank you, Michael!" Fleegle gasped.

Both Fleegle and Snorky came in front of the stage. Fleegle announced, "Thank you, everybody! Thank you all! Ladies and Gentlemen! Boys and Girls! It's almost midnight and uh, we haven't quite reached our target yet, but if you all stick around, we'll be right back with our final act!" Michael whispered to Lauren, "Ben and I will find Shaggy, Scooby, Velma, Daphne, and Fred!" Crystallina announced in the audition, "The Banana Splits Telethon will return after these messages!" Lauren came in front with Harry, Crystallina, and Amber. She panicked and cried, "Listen Banana Splits the show ran short and we don't have anything else planned! We need one last act to bring you guys home! Check on Michael and Ben! We got two minutes!"

Meanwhile, Michael and Ben were looking everywhere for the Mystery Inc. gang. Ben called out, "Shaggy!" Michael cried, "Scooby-Doo, where are you?" Shaggy and Scooby turned around. "Michael?" said Shaggy. "Ben?" said Scooby. "Where are you going fellas?" Michael asked. Fred, sadly, said, "We're quitting! After we solved our mystery, we quit and find a new one!" Ben explained, "But guys, when we watch you solving mysteries back on TV, you all weren't there to solve mysteries, you all did lots of fun stuff! You, Daphne, and Velma go out trick or treating for Halloween! You and Scooby like to go out to a place to eat! So, please fellas! Friends don't quit!" Then, Fleegle, Drooper, Bingo,

and Snorky came over. Drooper said, "Shaggy! Scooby! Kids! There you are! They just need one more act and you got to help us!"

Later around at 11:55 PM, 5 minute till midnight, the audience were waiting patiently for a final act. The telethon score board stopped at \$8,850,467. Lauren came back and saw Michael, Ben, Fleegle, Bingo, Drooper, and Snorky were gone. She cried, "Michael! Ben!" When Michael and Ben came back, Michael said, "Don't worry, Lauren! We checked with the Mystery Inc. gang! They'll join the show!" "No! No!" Lauren said. But Crystallina shouted in the audition, "We're back in 3, 2, 1..." Then, the sign flashed, "On Air!" "Oh no!" Lauren cried and panicked, as she covered her eyes. "Look!" Ben said, as he pointed on stage. The curtains opened with Shaggy, Scooby, Daphne, and Fred playing their instruments with the Banana splits. Velma stood in front of the microphone and sang, "Scooby Dooby Doo, where are you? We got some work to do now! Scooby Dooby Doo, where are you? We need some help from you now! Come on Scooby Doo! I see you! Pretending you got a sliver! But your not fooling me cause I can see the way you shake and shiver! You know we got a mystery to solve! So Scooby Doo be ready for your act, dont hold back! And Scooby Doo if you

come through, you're gonna have a Scooby Snack, that's a fact! Scooby Dooby Doo, here are you! You're ready and you're willing! If we can count on you, Scooby Doo, I know we'll catch that villain!" The audience applauded loudly. The score board telethon was about to raise \$10,000,000. "Ladies and gentlemen, Meddling Kids! It looks like we're going to get our theme park back!" Bingo announced, happily. "Meddling Kids?" Daphne gasped. "Works for me!" Fred joked.

Suddenly, outside at Kings Dominion parking lot, Poppy used the Banana Buggy to back it up to the telephone pole. The telephone pole pulled the wire off and crashed to the ground. Inside the audition, their phones stopped working. "Guys, my phone is dead!" Crystallina said. Then, the telethon score board stopped at \$9,999,999, in which is very close, and the clock ticked to midnight. It was too late! Suddenly, Poppy climbed on stage and said, "I did it! I beat ya! Time's up! Game over, Velma! Too late, children! I won! Turn that thing off! The show's over!" "Aw man! We were so close!" Bingo gasped, as he banged at the telethon score board. The telethon score board limited to \$99,999,999. Bingo gasped, "Or not. Well, were not that close at all!" "You are known as formally the Banana Splits and the Mystery Incorporated! Standing on

my private property! And I'm telling you to leave now!" Poppy told them, angrily. Michael said, sadly, "He's right, guys! He won! Time to go!" Michael, Ben, Lauren, Harry, Crystallina, Amber, the Banana Splits, and the Mystery Inc. gang walked sadly to the entrance.

Lauren cried into tears, "This isn't right! It can't end like this! What can we do?" Michael stood in front and announced, "Listen everyone, well thanks to Shaggy, Scooby, Velma, Daphne, and Fred, we tried! And if we fail, we failed together! I don't care in what anybody says! I don't care if no one believes in us because I believe... in you, you, you, you, you, and Bill Nye the Science Guy!" "But what about us?" Fleegle asked. "Well, we'll see when we walk out to the doors to work our way out!" Michael said, sadly. Michael, Ben, Lauren, Harry, Crystallina, Amber, the Banana Splits, and the Mystery Inc. gang walked out of the entrance and then, all the people gathered around King's Dominion cheering at them. The people were now absolutely biggest fans of the Banana Splits and the Mystery Inc. gang. The people even hold up posters. Suddenly, Poppy came back and shouted, "Wait! Stop! Why are there tons of people welcoming back the Banana Splits. I won!" Fred stared at Poppy and said, sternly,

"Well, we got a mystery that we solved!" Then, an officer came over and said, angrily, "Time to pay for your crime, Poppy! Now, you're going directly to jail!" The officer handcuffed Poppy and pushed her away. Poppy said, angrily, "The prize would've been all mine, if it wasn't for..." "Us Meddling Kids!" Michael, Ben, Lauren, Harry, Crystallina, Amber, the Banana Splits, and the Mystery Inc. gang chuckled. The audience cheered loudly. Bill Nye, the Science Guy, was there cheering too. He shouted, "Michael! Ben! See! Your fans! They love you guys!" "Bill Nye!" Michael and Ben shouted, happily. "We found the Mystery Inc. gang and we blew up the Banana Splits artificial intelligence!" Ben said. "Well done, boys! Can't wait to head back to Bill Nye Saves the World this weekend!" Bill said. "We can't wait, Mr. Nye, but there is one last thing we got to do!" Michael said.
