Her Bonnie's Mom cleans the  
droom, her mom put her  
toys in Bonnie's closet. After  
Bonnie's Mom left her room,  
Bonnie's toys came to life. All  
of the toys were getting

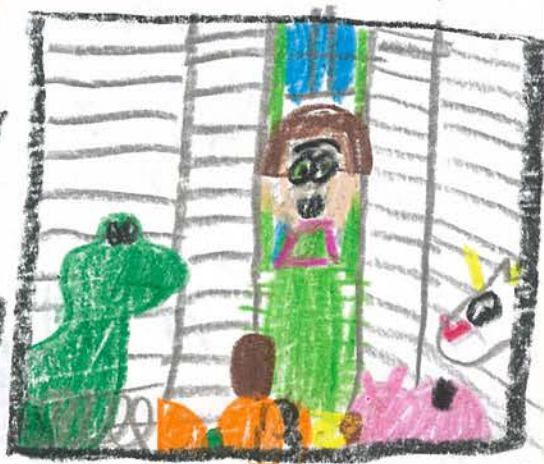

ambled in side, Dolly stood on the green chair  
and announced, "Everyone listen, I kept telling  
you that after her mother cleans the bedroom like  
this, she always puts us in the closet." "Uh,  
how much longer?" Rex cried. "Hold your horses  
Dolly!" said Jessie. "Settle down, Slink!" "Sheriff Jessie,  
do I need to be worried?" Dolly asked. "There's no  
need to feel worried," said Jessie. "Bonnie will  
definitely pick you." Buttercup looked through

the closet blinds and saw that Bonnie is  
coming. "Bonnie's coming! We're ready!" said

Buttercup. When Bonnie opened the closet,

he said, "The town is open!"  
Bonnie picked Peas in a pod,  
hucklees, Alarm Clock, Forky,  
Snifey, Spoonlette, Roco, and  
Dolly to played with.  
Bonnie left the rest of her toys in the closet.

When Jessie got up, she peaked through the bleachers closet when she plays with Dolly. Jessie felt jealous. Then, she

saw Buzz sitting sadly, so Jessie sat next to Buzz. She said, "Hey, Buzz! Are you doing okay?"

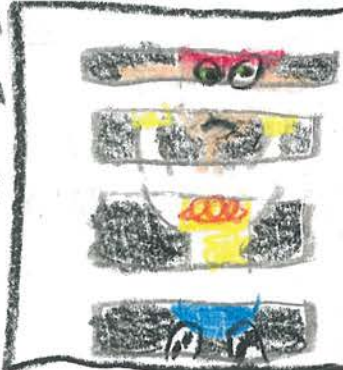

Buzz said sadly, "Well, when I told Woody to listen to his inner voice he doesn't have one." Jessie put

her hand onto Buzz's shoulder and cheered him up by saying, "Bonnie doesn't want Woody any more! Well be okay! He's not a lost toy." "Yeah, true. But what about us?" "Ask

Buzz. "Bonnie put Woody in the closet and now we're in the closet too." "Are we getting thrown away?" Rex cried. "Aww

no! No one will be getting thrown away!" Said Jessie. "We're going to the attic?" Slinky said

"Aww, I'm sure she'll pick us next time" said Jessie. "But forget about Bonnie picking well miss Woody!" Buzz interrupted. "Remember that I traveled all the way to rescue a toy from Al, because I believed him."

Wake up, BUZZ!" yelled Jessie. "Bonnie's all  
rown up!" Then, BUZZ became angry, in fact,  
he took off the sheriff badge from Jessie  
is soon as Buzz came out of the closet  
e sat on stool, staring at the sheriff badge,  
adly. Then along came Forky hopping

next to Buzz. He asked, "BUZZ,  
BUZZ, BUZZ BUZZZZZ! ZZZ-  
ZZZZZZZZZ." "Forky sounds like  
a bee!" "What?!" Buzz asked, loudly.

I just want to check to see how you're  
oing!!" Forky said. "Well, when I mean well

se okay at Bonnie's, I think we're left  
behind and Woody's left behind to us,"  
Buzz said, sadly. Forky thought to himself

when he's with Woody. He wh's pored to  
Buzz's ear, "You know, I miss Woody too, but  
rather than by saying so long forever,  
f you believe in your best friend, you go  
o him!" "What do you mean go to him?"

Buzz gasped. "No, no, no, there's no way  
to get to Woody!" "Yes, there is!" said Forky  
on need to find a bike to get to Woody."

"When Woody sees you, every thing is going to be okay!" Then, Buzz realized in what Forky said. Buzz exclaimed, "Forky, you're right! This is our family toy!" "That's what I'm talking about!" Forky said, excitedly. "Come on, let's get Woody!" Buzz realized that Bonnie is loose Forky again. He said, "Wait a minute Forky, you stay with Knifey and Spoonle." "Why?" Forky asked. "Because your Bonnie favorite Toy remember?" Said Buzz. "Ooohhhh!!!!" Said Forky. When Buzz came back to Jessie and the gang, he announced, "We're going back to Woody and Bonnie today!" "We can't go, Buzz," Rex said. "It's too far away!" Buzz explained, "I could've call myself a friend. I will do the same. Do you guys have a map?" "I'll go fire up the computer!" Said Trixie excitedly. At the computer Buzz typed in the address to the Antique Store. When Buzz clicked send, the map shows the direction

to the antique store, Buzz found a shortcut  
to the antique store, so he copied the map on  
the piece of paper. Buzz said, "Woody wants to  
risk his life to save me. So, who's with me?"

As soon as Buzz, Jessie and  
the rest of the gang got to the  
garage, Slinky asked, "How are  
we gonna get to Woody?"  
"Yee hah, I found a faster way

to get to Woody." Said Jessie as she  
popped a bike and skateboard. Buzz realized  
what Forky told him. Buzz smiled, "Good  
thinking!" All the toys hopped on the  
bike and skateboard. Slinky held onto  
the bike and skateboard together. Buttercup  
announced, "Bullseye and I was going to run along!"  
"Good thinking, Buttercup!" Said Buzz. "We'll be  
okay with Woody and Bo! Take care of  
mommy." "Yes we will, Buzz! Bye Bye!" said  
Miffy. "To antique store and beyond!" Buzz  
said. So off they went to find Woody and  
once again.

Meanwhile, at the carnival, Woody and Bo were helping, Duke, Giggles, Duck and Barn give out toys to all children.

When the carnival was closed, Woody announced, "Alright, nice dunk, gang!" "Every ride for a kid!" said Bo. "What's next?" said Giggles. "We should take a ride on a Ferris wheel!" Bo said. "Yeah, the Ferris wheel!" said Woody.

Up upon the Ferris wheel, Bo told Woody and Giggles her story about her adventure. "So cool, never getting old!" said Giggles. "That's incredible! That'll happen!" said Woody.

Woody, Bo, and Giggles chuckled. They got confused. Woody clarified and said, "Whoa, whoa, okay let me get this straight. You left the antique and become lost toys like me?" "Not exactly," said Bo. "You can still get played with! Playtime will start tomorrow at the playtime!" said Woody. "I can't wait for playtime!" said Woody.

Meanwhile, Buzz, Jessie and the whole gang were half way to Woody and Bo. So they stopped at the scenic view. Buzz

looked at the map and announced, "Good work ladies and gentlemen! Just half way to Woody! Half way?" Ham exclaimed. (Don Rickles Audio Record) Mr. Potato Head gasped, "Are we going to do this all night? My paws were killing me!" "Come on fellas, did he give up staying with us, but stayed with his Roundup gang?" Buzz asked as he said his speech. (Don Rickles Audio Record) Mr. Potato Head asked thoughtfully, "I haven't bring that up!" "No toy gets left behind! And we will not rest until we get to Woody and Bo! Now let's move on!" Buzz said his speech.

Meanwhile, the next morning, Woody, Bo, Jake, Gigo, Duck and Bunny were at the playground waiting for the kids to come and play. Woody felt a little worried. He asked, "Bo, when they play with me, will they like me?" Bo put her hand on Woody's shoulder, she said, "There

are plenty of kids who want to play with you. Now let's get ready!" As soon as the kids ran into the playground, a little girl picked up Woody and Bo. She pretended Bo was saying, "Hello, Mr. Cowboy! How are you doing today?" When a little girl turned Woody around, she saw that Woody's pull string voice box was gone! She felt sad, in fact, she dropped Woody and played with Bo instead. When Woody got up, Woody saw the little girl playing with Bo without Woody. Woody felt in the back that he doesn't have a pull-string voice box. As soon as the kids left the playground, Bo, Giggles, Duke, Duke and Bunny came to check to see Woody. Bunny asked, "What happened?" "Woody, are you ok?" Bo asked. "This is why I belong at Bonnie," Woody cried. Bo saw in the back that Woody doesn't have a voice box. She explained, "Oh, Woody, I know what the problem is! You can't be played with because you

don't have your voice box anymore! You gave it to Gabby Gabby!" "So does this mean we'll have to let Woody order a new pull-string voice box online?" asked Giggles. "We can't order a new voice box! I don't have my record..." Woody exclaimed, right when he can finish saying anything else, Woody figured out what the difference of Woody's record and Gabby Gabby's record. "My record is still in the antique store!" Added Woody. "I guess it's time for take Ka boom!" Duke exclaimed.

Meanwhile, Buzz, Jessie and the gang arrived at the arrival. All of the toys were exhausted. "I can't walk any more! Must rest!" Rex asked slightly. "How are we going to find Woody?" "Look for Bo, we find Woody!" Buzz answered. "Woody!" Mr. Potato Head called out. (Don Rickles Audio Record) BZZ looked every where for Woody and Bo. I can't find them anywhere.

Suddenly, a Skunk zoomed across the carnival. Buzz investigates and saw in the back was Woody, Bo, Giggles, Duke, Duck, and Bunny. "Hey everyone, I found Woody and Buzz announced. "Really? Where?!" Jessie as he might be in a...skunk?" Buzz said, thought "Oh, they must be heading to the antique store. Follow them!" Buzz, Jessie and the gang went after Woody and Bo.

Before Buzz, Jessie, and the gang caught up to Woody and Bo, Bo saw that Buzz, Jessie and the whole gang are coming up to them. "Jessie?" she said thoughtfully. "Oh, Jessie is taking over Bonnie's toys," Woody said. "Buzz?" she said again. "Oh yeah, Buzz too! Wait until he..." Woody said, excitedly. But before he

can say anything else, Buzz, Jessie and the whole gang found Woody and Bo at last!

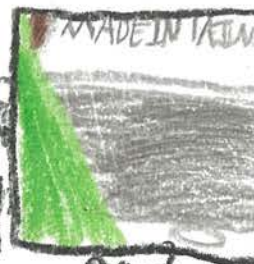

"Bo Peep?" Buzz gasped. "Buzz! My old movie buddy!" Bo said happily, as she gave Buzz a big hug. When Jessie came up, she said as

gave Bo a hug, "Bo!" "Jessie!" Bo said too. Then, Woody felt confused. He asked, "Buzz, Jessie, how did you find me? What are you all doing here?" "Woody, I thought that you'd be okay at Bonnie's, but unfortunately... she still kept us in the closet." Buzz explained. So that's why I, well, we travelled all the way to reunite you two because I believe in you." Buzz gave Woody a big hug. Next, Jessie gave Woody a squeozy hug. Jessie said, "You know, you're the toughest toughest cowboy around, I think this is your... spot!" So, Jessie gave Woody his Sheriff Badge back. Woody is now his real name Sheriff Woody. The whole gang gave Woody a huge hug. "Buzz, it's good to have you back! I'm so happy to see you again Jessie! Especially you guys!" Woody said, happily. "So, where are you and Bo heading to now?" Jessie asked. "To the antique store!" Bo explained. "Woody's record still there, so we're ordering a new voice box!"

"Where's Woody's voice box?" Slinky asked. Woody sadly said, "I gave it to Gabby Gabby!" "What?" They all gasped. "Well then, we got to find a new..." Buzz said, immediately. But before he could say anything else, Buzz checked his communicator underneath that says, "Made in Taiwan." Bo interrupted, "Uh, Buzz, we're you gonna finish saying voice box?"

"Uh yeah, the voice box is at Taiwan!" Buzz added, "Taiwan?!" They all gasped. "That's right!" Buzz said, "We must find your voice box, Woody!" "That sounds like a grand adventure!" said Bo. "But first we got to find Woody's record!"

When Woody was crewed the ceiling fan, Buzz asked, "You've record is in there?" "Uh yeah!" said Woody. "Okay everyone, you have to follow my lead! We stay together and quiet! Okay!" Bo said, immediately. "Absolutely, lead the way!" said Jessie. Buzz, Jessie, Woody, Bo and the rest of the gang slid down the pole. When they reached the cabinet Bo said, "That's where your record is being kept." "Okay, this isn't so bad, but

"How can we get passed by the Dummies?" Woody asked. "We can go straight across!" said Bo. "Whoah, that's a big jump!" said Buzz. "We know a perfect toy who can help!" Bo said.

When Woody and Bo got to the pinball machine, Bo put in the game operating code to get inside. "I'll do the talking, you stay on the back!" said Bo. "Hi Tinny!" Bo said as he opened the door. The along came a Tin toy named Tinny. "It's really nice to meet you!" said Bo. "Do you have something to show me?" Tinny showed Woody and Bo his friend, as a duck knock snow globe, Snowy! "Aw, it's nice to meet you too, Snowy," Added Bo. "No, no, he's with me! This my friend, Woody! Have you seen Duke?" Duke stopped by and said, "Hey Bo! Hey Woody! What's up dudes?" explained, "We need your help! The Dummies will have Woody's record and we need to get it back! Do you think you can do this?" "I'll do this with my eyes closed!" Duke said haughtfully, Tinny and Snowy really like

Woody, in fact they wanted to go with them. Bo thought they can get broken. She cried, "Oh, I'm sorry, I don't want you two to be left behind. You must stay here." Woody refused to recognize Tinny and Snowy. Woody refused by saying, "Aww Bo, Tinny and Snowy were our best friends since we've played at Andy's. They are part of our family too." "Fine," Bo groaned. "Let's do this!"

Later, Woody, Buzz, Jessie, Bo and the whole gang helped Duke carry his Ka Boom Launcher to the top of the shelf. They sneaked past the Dummies on the shelf. Woody and Bo used the old fashion cinagraphic to carry Duke's Ka Boom Launcher. While they set up the Ka Boom set with Bo, Woody asked, "If we're lost toys, we don't get played with, right?" Bo put her hand onto Woody's shoulder and explained, "There are plenty of kids who want to play with you. Boy, that's going to be a quite a jump for you and Duke. For me?" Woody gasped when he saw the far

distance to the other side of the shelf." Remember  
what I told you that you're going with him." Bo  
said again. "I am?!" Woody gasped again.  
Missie attached the string to Duke's motorcycle.  
Woody hopped on and they're all set to go. "Go!"  
Bo shouted. Duke pushed the Kaboom Launcher  
to launch Duke and Woody on his motorcycle.  
Buzz held onto the string. While Duke was  
focusing on the road, he said to himself, "I'm  
Duke Kaboom! I can do this! I can do it with  
my eyes closed!" With one big ramp,  
Duke and Woody flew across to the other side  
of the shelf. When he reached  
the other side, Duke finally  
said, "Kaboom!" Duke tied  
the string around the door knob. When Woody  
opened the door, Bo zipped through and across  
the string. She opened the key to the cabinet  
to get inside. Then, Woody found Gabby Gabby  
in the box. He opened the box and finally found Woody  
in the record. When they're on their way out, the  
ummies found Woody and Bo. On the other  
side of the shelf, Giggles came back to tell Buzz

"Buzz, the dummies are gone!" "What? Where did they go?" Buzz asked. The dummies found Buzz, Jessie, and the whole gang. They all screamed because they're creepy looking. The dummies were attacking Duck and Bunny. Buzz used his wing span to push the Dummy off the shelf. Buzz and Jessie saw that Woody's in trouble. "Woody!" Jessie called out. "Pull!" Buzz said, immediately, but the dummies behind Buzz, Jessie, and the whole gang pushed them off the shelf, except Ham.

When the whole gang got up, Woody asked "Everybody okay?" Above the shelf, Ham's too scared to come down. Buzz called out, "Come down!" "I can't. I may break!" When the dummies got closer to Ham, Ham fell off

the shelf screaming. Duck and Jessie saw Ham falling. They're afraid that Ham may break because he's a piggy bank. Duck asked

"Why Bunny, what should we do?" Bunny answered, "I know! We're fluffy like a pillow, we can do it to save Ham! Let's work together!" Duck and Bunny got underneath the

Ham is about to fall in. Ham landed safely  
n top of Duck and Bunny. Luckily, he wasn't  
roken. Ham said, "Thanks again." Suddenly, the  
ummies found Woody, Buzz, Jessie, Bo and the whole  
gang again. Bo saw the entrance door  
f the antique store and said, "Over here! Let's  
o!" While Woody, Buzz, Jessie and the whole  
ng race to the door and being chased by the  
ummies, Bo used her stick to hit the Dummies.  
When they all got outside, Jessie used the  
ey to lock the door of the antique store.  
Jessie asked, "Woody, do you still have your record?"  
I still have." Woody said as he hold up his  
ecord. "Well good, now all  
ve need to do is find a new  
oice box in Taiwan!" Said  
o, immediately. "Taiwan?" Ham  
asped. "We can't travel that far or else we'll  
ever make it on time!" "How are gonna get there?"  
w?" Rex asked. Then, Mr. Potato Head spotted the  
izza Planet truck and joked, (Don Rickles' Audio  
ecord), "Pizza, anyone?" When Bo, Jessie and the whole  
gang got inside, Thrixie asked, "Does anyone know  
how to drive?" When Buzz came inside, he told

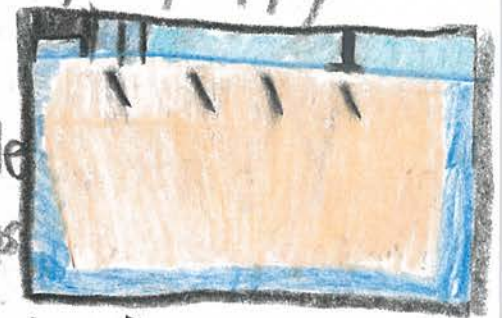

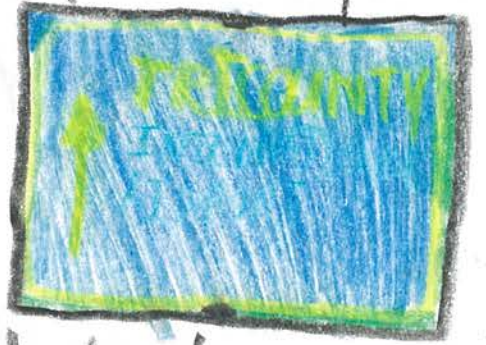

his friends! "Slink, take the pedals! Rex and Tron  
you navigate! Ham and Potato operate the lever.  
Outside Jessie and Woody called out, "Buzz  
Suddenly, the Pizza Planet truck started to run  
So Woody and Jessie climbed inside the cargo area  
but the window banged them in the back!  
"Whoah!" Slinky gasped, when he started the car  
"Maximum Power, Bullseye!" Buzz said. Bullseye  
pushed the pedals, but the Pizza Planet truck  
go. "Being safe in a cargo, what idiot!" Woody  
growned in the cargo area in the back, "Why  
won't go?" Buzz shouted. "Use a lot of power  
The aliens pointed out, Mrs. Potato Head pu

bouncing around! In the

Buzz asked, "Rex, which way?"  
"Right, uh, left!" Rex cried.  
"Go left! Go left!" Buzz  
turned left. "Now, where?" Buzz asked. "To the right,  
right, right!" Rex cried. Buzz turned right. Up  
ahead, the whole gang were driving up the  
ramp to the interstate. In the back, the truck  
slid down and crashed onto Woody! At the

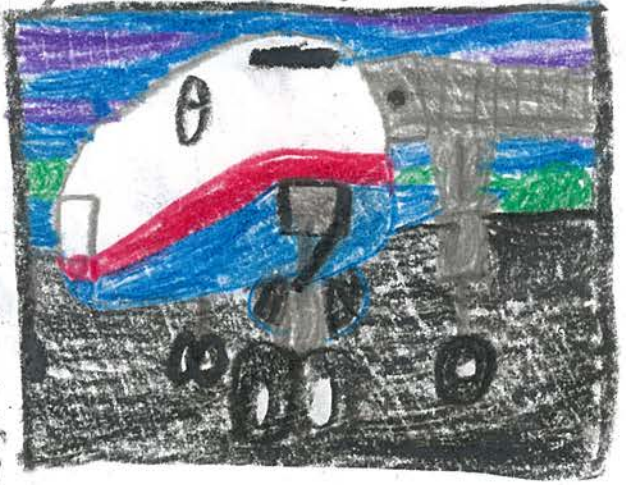

Tri-Country International Airport, Buzz, Bo, Woody, Jessie, and the whole gang arrived right on top of the light zone. Trixie heard the voice announced in the speaker, "The light zone is for loading, unloading! No parking!" She said, "Wait! She said we can't park here because it's a light zone." Buzz saw the pet crates and that gave him an idea. When Woody, Bo, Buzz, Jessie and the whole gang walk inside, carrying the crate, Ham cried, "Someone's coming!" "What should we do?" Rex asked. "We exactly know what to do?" Bunny chuckled. (Imagination) "Ooh a puppy!" said the little girl. Duck and Bunny attacked the little girl! "Well, we're not doing that!" said Buzz. "I got it under control," said Slinky with an idea. (For real) "Ooh, a puppy!" The little girl said. Slinky barked like a bad dog to scare the little girl. Jessie gave Slinky a thumbs up. They sneaked the crate to the passengers' heckin'. The flyboy put the crate with the toys on the conveyor belt. "The mystic portal!" said the aliens. "Oooohhh!" Buzz told the gang, Jessie,

Woody, and Bo, "Once when we go through, we need to find the exit!" When they went through the curtain, they appeared inside the luggage airline conveyor belt. They screamed, except the aliens because they're having fun, as they slid down the conveyor belt slide. They crashed onto another conveyor belt pulling left. "This way!" Bo said, immediately. So Woody, Bo, Jessie, Buzz, and the whole gang moved the crate across the other cases on the conveyor belt to move a lot faster to the exit. When they reached the exit, inside Woody told Bullseye, "Ride like the wind Bullseye!" Bo told Buttercup, "Ride like the wind, Buttercup!" As soon as the Baggage Transport Vehicle drove away, they all slid down and Bullseye and Buttercup galloped to catch up to the Baggage Transport Vehicle. Up ahead, the Baggage Transport Vehicle stopped next to the plane. So the driver picked up the crate and put it inside the plane. Inside the crate, Jessie was so excited to

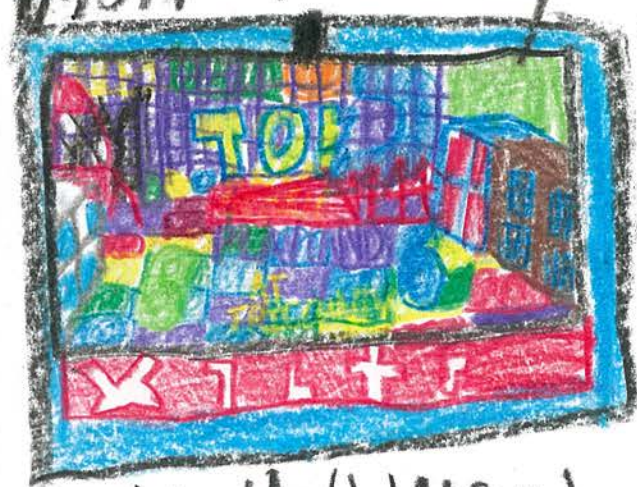

In the plane for the first time, she said "Prepare for  
take off captain!" "To infinity..." Buzz said but  
the pilot shut the trunk of  
the plane. Once when the  
passengers were seated, the  
plane moved to the runway.  
As soon as the control tower  
said that the coast is clear,  
the plane took off in the air.

Taiwan]

The next morning,  
the plane landed at the  
runway in Taiwan. As  
soon as the crate with Woody, Bo, Buzz, Jessie,  
and the gang inside popped out of the curtains  
on the conveyor belt, they jumped out of the  
conveyor belt. "We made it!" Rex cheered. "But we're  
not too close yet, Rex!" said Woody. They  
Woody saw the commercial on the TV  
screen that shows kids playing with  
toys at a play zone. He even saw his  
old friends: Sarge and the Green Army Man.

R C, Etch, a Wheezy ~~and~~ Plus, Woody saw  
new toys of Potato Head, Jack in the Box,  
Rockem Sockem Robots, Playmobil, Sock  
Furby, and Noddy. The commercial says "We  
have some more play time room?  
There's room! Play all day at Toy Story  
Playzone! We have some cool toys  
out there! We have an indoor playground  
Arcade Center, Ball Pit, and so much more  
visit us only at Toy County!" Then

Woody knew a perfect  
place to have more  
playtime? But Bo used  
stick to pull Woody along  
and said, "Woody, come along!" Once  
Woody, Bo, Buzz, Jessie and the whole gang  
gone out of the Taiwan Airlines, they  
entered in the city of Taiwan!  
"Holy cow!" Woody cried, "Look  
at all of those stuff!"  
"So where's the factory going to be?"

inky asked. suddenly, an old man drove by and found the toys in the crate. He said, "Mmm, where did they come from? Where ever it is must go to the factory!" So, the old man picked up the crate with toys inside, then he drove away in the truck to the factory.

As soon as the truck arrived at the Buzz Light year Factory, the old man unloaded the truck. While the old man bring his stuff inside, Woody peeked, "Where are we?" Bo took a peak above the roof and saw that they're in the wrong factory! Bo came down and announced, "Guys, this isn't the right factory!" "Then, what kind of factory is this?" Buzz asked. suddenly, the old man came back and took the crate with toys too! Inside the factory, the old man dumped the toys on the conveyor belt. But before he walked over to his workers, the child came over and looked at what he brought over. She said, "Grandpa, a govt! Are there any cool toys out there?"

"Not really, Rosie!" Grandpa Kagoy told her. Then Rosie saw Buzz Lightyear on the conveyor belt. She said, excitedly, "Ooh, ooh, ooh! I was missing that toy!" Can I just use that Buzz Lightyear action figure?" Grandpa Kagoy thought to himself and then he said, "Well of course you can! Here you go!" Grandpa

Kagoy gave Rosie a Buzz Lightyear and he told his workers, "Alright, Gentle men, you can start the machine."

"You got it, Mr. Kagoy!" The workers said. Suddenly, the workers pushed the lever and the conveyor belt started to move. "What should we do, Woody?" Jessie asked. "We'll be okay as long as we stick together!" Woody answered.

Bo interrupted and said, "Woody, we are together! Now we're at the wrong factory!" Woody looked down and saw the other toys on the conveyor belt. Woody realized and said, "I know Bo, we're at wrong factory!" "I think we are!" Rex said, sadly. Woody continued, "Actually Rex, it does not have to be my factory because there are plenty of toys out..."

At before Woody could say anything else, he found a bin with a voice boxes. Woody said happily, "Bo, we found a place to find a new voice box!" "I don't think we have!" Bo asked. "Look over there!" Woody pointed to the bin of voice boxes. They all looked over to the bin, including Jessie. Jessie can't believe in what Woody found! she said, excitedly, "I guess you found the jackpot!" Woody, Bo, Jessie and the whole gang hopped off the conveyor belt and looked inside the bin. Woody jumped in and looked around for the full-string voice box until he finally found one. He pulled the string and it sounds like Gabby Gabby's. Woody said, "I found a voice box, but it doesn't sound like mine!" "Do you still have your record?" Bo asked. "Yes, I have!" Woody said as he hold it out.

Meanwhile, at the Taiwan Apartment, Rosie came to her Penthouse with Grandpa Kagoy. Grandpa Kagoy called out, "Rosie, time for some lunch!" "Okay," she said. After

Rosie left, Buzz got up and looked around. He asked to himself, "Where am I?" Buzz saw the merchandise of Buzz Light year. "Wow!" Buzz gasped. "And there is no sign..."

But before Buzz could say something else, Buzz saw another Space Ranger hop on the bed and said, "Greetings I am Warp Darkmatter! I come in peace!" "Warp, is really you?" Buzz asked, thoughtfully. "Yes! You must be Buzz Light year, right?" Warp said. "Wait a minute, how do you know my name?" Buzz asked. "Every one knows your name!" Warp said, excitedly. "That's a

Commander Buck Rogers knew you would come! He really wants to meet you!" "Oh Mr. Buck Rogers?" Commander Buck Rogers hop on the bed too and said, "Who takes to you Commander Buck Rogers?" Warp helped to introduce to Commander Buck Rogers, "This is Buzz Light year of Star Command." "Is he really?" Commander Buck Rogers asked. "Well then, welcome home to star

Command!" Buzz looked around and realized by saying, "Whoah, whoah, whoah, this isn't Star Command, this is Rosie's bedroom!" "What are you talking about, Warp asked. "Look at what you're standing on?" Buzz pointed to the bottom. "You're an action figure! You're a toy!" "A toy?" Warp asked, thoughtfully. "T-O-Y, toy!" Buzz explained. "Maybe a TV will help!" Buzz looked around for a TV. He put it on and the commercial announced, "Calling Buzz Lightyear of Star Command! We need your help, this is Commander Buck Roger saying, **IN THE WAY! BUZZ LIGHTYEAR!** The world's greatest toy! A wrist communicator, Karate chop action, a laser ray, Ultimate voice simulator: This is the secret mission in charge space!" Buzz stared at Warp as he demonstrated his inner voice and it said: "This is the secret mission in charge space!" The commercial continued, "Most of all, high pressure space wings! To infinity and beyond!" Warp read the words below as the commercial says, "Not a flying toy," Warp gasped. The commercial continued.

"Get your Buzz Light year action figure for just only \$19.95! Plus, we'll include a special offer of Warp Darkmatt. Warp protects the galaxy from the Evil Emperor Zurg! He's the partner of Buzz Light year! Both Warp and Buzz so separately! BUZZ LIGHT YEAR! Available at Al's Toy Barn store in the Tri-County area!! As soon as Buzz turned off the he asked, "See, you are a toy!" Warp checked the communicator wrist that says, "Made in Taiwan." Warp and Commander Buck Rogers felt sad. Commander Buck Rogers said, sadly, "You're right Buzz! We are toys." "But you can do something like rescuing W..." Buzz tried to exclaim but before he could say something else he remembered that he was taken by Ross. Buzz said to himself, "Woody!" Meanwhile, Woody got up felt his new voice box, "Reach for the sky!" Woody said, thoughtfully, "Pull my string that my voice box works so that means your dreams had come

me!" Jessie said, excitedly as she gave  
Woody a squeeze hug. "Okay, now, all  
we do do is..." Woody said, immediately, but  
before he could say anything else, Woody  
saw that Buzz was gone! He said, "Hey, where's  
Buzz?" "I think Rosie took Buzz!"  
Woody answered. "How are we going to find Buzz?"  
Slinky asked. Suddenly, a pink Barbie car drove  
by with Tour Guide Barbie driving  
along with the LEGO Mini  
figures! Emmet and Lucy in the back.  
Tour guide, Barbie?!" Rex, Slinky, and

Ham gasped. "Can you help us find where...  
Rosie lives?" Ham asked. "I can help because  
once I use to being bought and then gotten  
away with bunches of girls, so now I'm on  
the grand tour of Taiwan! So I brought  
my friends along the ride: Emmet and Lucy!  
Our guide Barbie said as she introduced Emmet  
and Lucy. Emmet greeted, "Hello, I'm Emmet,  
and I am a Master Builder! I was just  
about to come right out! I have no idea  
what's going on, at all!" "Well, we don't have

time to explain!" said Bo. "We're in a hurry to  
Buzz!" "At Al's Toy Barn?" Tour Guide Barbie  
asked, thoughtfully. "No, I meant find Buzz  
at Rosie's." Bo exclaimed, "Get in!" Said Tour  
Guide Barbie. "Remember to keep your hands  
and arms inside the car and no flash photography."  
Thank you!" So, Woody, Bo, Jessie and the  
gang hopped in the Barbie car. Tour Guide  
Barbie drove them out of the factory and sneaked  
through the gate. Tour Guide Barbie announced  
"This is Taiwan! An international city in Japan."  
"Thanks for a grand tour of Taiwan, but where  
can we find Rosie's?" Slinky asked. But Tour  
Guide Barbie told them, "Please hold all questions  
until the end of the tour, thank you!" Lucy  
doesn't want to enjoy the whole tour. She  
groaned, "There's no time to waste! Let me  
take a wheel!" Lucy hopped in front and  
steered the wheel in front of Tour Guide Barbie  
to Rosie's Pent house!  
Meanwhile, Rosie came back to her room  
and said, "Hey Star Command, I brought you over  
some tea!" Rosie saw that Buzz, Wreck, and  
Commander Buck Rogers were gone. She asked to

self wonderly, "Hey, where did they go?" Up at the top of the Roof, Buzz, Warp, and Commander Buck Rogers opened the view door and ran outside.

Commander Buck Rogers announced, "This is the highest building as we can travel!" "Warp, are you ready to fly with style?" Buzz asked.

"Uh, Buzz, the commercial says that we're not a flying toy!" Warp cried. "Don't worry Warp, my friend, I flew all the way to Andy's house before, so yes I can fly!" Buzz said as he grabbed onto Warp and Commander Buck Rogers' arms. "What are you doing?" Warp and

Commander Buck Rogers gasped. "No, no, not at it was too late, Buzz took off by saying 'To infinity and beyond!'" Rosie looked

around and saw Buzz, Warp, and Commander Buck Rogers fell off the building. Rosie cried, "Oh no, not my Buzz!" "Aaahhh!! We're gonna die!" Warp cried, while they're falling at Buzz flew across the air. "Buzz is flying!" Warp cried. "To infinity and beyond!"

Meanwhile, Woody, Bo, Jessie, the whole gang at town on the Barbie arrived at Rosie's Penthouse

When they got out of the car, Bo asked, "Is this where Rosie lives?" "Uh, yes is!" So  
Tour Guide Barbie. "But do you see Buzz?"  
Woody asked, "Wonderfully. Suddenly, Mrs. Potato  
Head saw in the sky that Buzz was flying. She said,  
"Look, I see Buzz flying!"  
"What is it, Mrs. Potato Head?" Woody ask  
"Wait she's giving a hand signal!" Bo  
interrupted. "Number One! One synonym!  
Uh, Once upon a time! One plus one!"  
"I thinks her hand is pointing up!" Jes  
whistled. "Up, yeah, of course!" Woody  
said, but before he could say any thing,  
Woody looked up in the sky and saw  
Buzz flying away!" Bo groaned, "That  
impossible for Buzz to fly! My movin  
buddy! How can fly up there?" "Fly? We ca  
fly!" Woody joked. (Don Rickles's Audio Reco  
Mr. Potato Head suggested, "Are yankidding?  
can we stack ourselves up and pretend

"I've delivered a pizza!" "How about a ham sandwich which?" Ham joked. While the gang were thinking of ideas, Rex saw the grocery cart, a tree blower, and a balloon stand. Rex told Trixie, "Maybe if we can find some balloons, we can fly and catch Buzz!" But how can we all fly? Trixie asked. Look! Rex pointed out. Trixie saw the shopping cart and leaf blower and a cart of balloons, so that gave Trixie an idea!

When Rosie and Grandpa Kagoy came down from the elevator, Rosie saw that Buzz, Larp, and Commander Buck Rogers weren't on the ground. Rosie cried, "Wait a minute - thought that they landed here, but it's still not there!" "Don't worry, Rosie, we'll find them," Grandpa Kagoy said as he put his hand on to her shoulder.

Up upon the sky, Woody, Jessie and the whole gang are flying on a cart attached to the blow dryer

and bunches of balloons. Bo asked, "Do you see Buzz?" "There he is!" Jessie pointed out. "Slinky, you got to steer the cart." Bo told him. "I'm on it, Bo!" said Slinky as he steered the cart. Up ahead, Buzz saw Woody, Bo, Jessie and the whole gang catching up to him. So he turned around. Slinky stretched out like a spring and Woody grabbed onto Slinky's tail. Slinky finally caught Buzz, Warp, and Commander Buck Rogers. When they hopped in, Buzz said, "Thanks cowboy!" "Look out," Slinky gasped as he saw the sign ahead. "Aaahhh" They all screamed, as they crashed in the sign and landed on the clothes basket.

When they got up, Woody, Jessie, Buzz, and the whole gang had a fun time, except Bo! Bo felt so bad. Woody said, "Wow, that was fun! I got my new voice box back and rescued Bo." So, now let's go back to Tri-County and

et some play time!" So interrupted Woody  
nd said, "Woody, we never get played with  
ny more! We go on great adventures!"  
-like what?" Asked Buzz "All around the  
world and never be loved again?"  
'Exactly in what I was thinking about!"  
io exclaimed. "But are you sure you don't  
want to miss for the world?" Woody asked.  
But toys can see the world!" So exclaimed.  
hen, Jessie explained, "When we first visited  
unny side, Lotso showed us when the kids  
row up, new ones come in. He told us  
that we won't be a bandoned! So I want  
s be played with!" All of the others said,  
I want to be played with!" Woody  
aid, "I want to be played with!" Bo finally  
nade up her mind by saying, "Fine,  
ve'll find a spot for more play time!"  
uddenly, Grandpa Kagey and Rossie drove in  
-as Tank Truck. They found the toys.

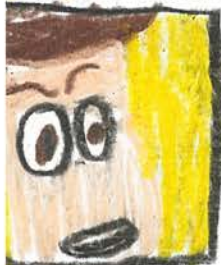

Grandpa Kagoy picked them up and said "Here they are, Rosie! Where do you want to put the other toys in?" Rosie thought to h with an evil plan and then said, "Mmm, let's take them back to the factory and then turn them into parts for a new toy!" "Good idea, Rosie!" Grandpa Kagoy said. So he put the toys in the box and they drove away.

White, Grandpa Kagoy and Rosie drove to the factory, inside the box, Jessie cried, "Now we're all going to end up into parts!" (Don Rickles's Audio Record) Mr. Potato Head groaned, "Ah, that's it, we'll never get out of here!" "We need a plan!" Bo said, immediately

Buzz thought to himself of a plan. He said his idea, "Woody, remember that you use your inner voice to scare Sid away right before he blasted me off?" "Uh, yeah, but it worked, right?" Woody joked, "Yes, but you used your inner voice and you came to scare Sid away! So you can do it!" Buzz explained, "I don't think so, Buzz! My record!

low a pull string voice box! All it is just.!"  
Woody said, sadly, as he pulled the string.  
"There's the snake in my boot!" Woody's  
voice box said. Woody was puzzled to figure  
out his inner voice until he knew what  
to do! He said, "You're right, Buzz, I do  
have my inner voice, but I can this! Although  
I need some one to distract, her grandpa!"  
Then, Duck and Bunny said, "I think we  
already know what to do!"

While Grandpa Kagoy was driving,  
Rosie turned around and heard Woody's voicebox  
automatically said, "Reach for the sky! This country  
is big enough for a ~~two~~ us!

I would like to possy boys,  
but first I'm going to sing  
a little song!" "Okay? This is looking  
weird, check the batteries!" Rosie  
gasped. Woody's automatic voicebox  
continued, "Not looking weird! That's  
right, I'm talking to you, Rosie! You can't  
drive an explosive tanks, that's called

stealing! We're tired of being ripped apart or burned, we don't like that! Guys!"

Suddenly, Duck and Bunny attacked Grandpa Kagoy for real to make him drive faster. Mr. Potato Head aimed the mirror to warn the cops.

The cops chased after the Gas tank truck.

"Oh no!" Rosie cried. Woody's automatic voice continued, "Now you know that you should take good care of your toys! If you don't, you are a such vicious, stupid, selfish, nasty little but face! You can't get away with this kid! We toys can see every thing!"

Woody revolved his head. Then Woody surprised Rosie by saying, "SO PLAY NICE!!!" "Aaahh" Rosie screamed, as she hopped out of the Gas Tank Truck! Duck and Bunny knocked Grandpa Kagoy off the truck! Up ahead Duck and Bunny saw the garage to the left. They said, "Aaahh!!!"

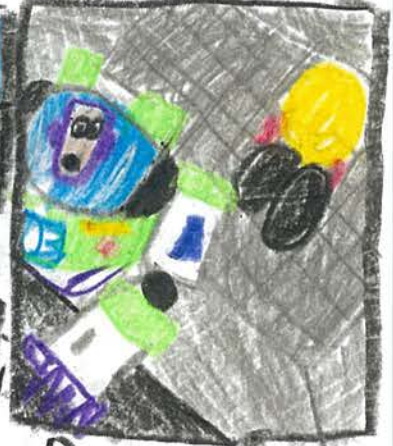

his thing around!" Duck and Bunny tried  
with the Gas Tank Truck around, but it  
flew up the ramp. Woody said his idea,  
"Everyone Jump!" So Woody, Jessie, Bo,  
and the whole gang jumped off the truck.  
Buzz tried to be the last one to jump off.  
Once when Buzz jumped, the Gas Tank Truck  
fell in and then exploded!

When they all got up,  
Jessie cried, "No!" "Buzz!"

Woody gasped. Bo and Jessie burst  
into tears. Warp felt said, in fact,  
said, "Not my partner!"

Then, Buzz got  
up and said, "To infinity and beyond!"  
Linky said, "Buzz, you're alive!" "BUZZ!"

Jessie cried. They all gave Buzz a hug.  
Meanwhile, the cops got out of the car.

Mosie and Grandpa Kagoy ran up to them

saying, "This is an emergency! The toys are  
alive! Nice... toy!" "I am not a toy!" said  
the cop. So, they ran away. The other cop held  
microphone up and said, "We got a runaway!"  
Meanwhile, Woody cheered. We did it! We did it!

Yes! Nice work fellas!" Buzz said with a ha  
shook, "Woody thanks!" "Let's go home!" Wood  
said. "No, we don't have a home, so where  
should we go now?" Jessie asked. "Well, I  
know a place," Woody said.

Back at Tri-County, a  
mailman dropped off a package  
of toys inside at Toystory  
Playzone. After the mailman  
left, Jessie said, "Look!"  
"I can't see!" Rex cried as he  
pushed through. The box tilted  
and landed on the ground open. All of the ot  
new toys gasped when Woody, Bo, Buzz, Je  
Warp, and the whole gang arrived. "New to

Wheezy came out and said, "Woody, is the  
you?" "Wheezy!" Woody said, happily as  
gave Wheezy a hug. "So how have you  
up in here?" "Well, I have been in a yard s  
donated and dumped. But you're safe now! W

All are cast offs! So this where you belong!  
welcome to Toy Story Play Zone!" They  
all looked around, except Bo. They all loved  
it there. "Well Bo, do you like it here?" Woody  
asked Bo. Bo thought to herself and said,  
That adventure is a lot better than the farm.  
So gave Woody a hug. Suddenly a bell ringing  
Neezy announced, "Sounds like the kids  
really want some playtime!" "Place's everyone!"  
Buzz called. "At last, I'm going to get played  
with!" Rex cried, excitedly. "Come to papa!"

All the kids ran in and picked  
the toys to play around. A  
little girl picked up Woody and  
Bo. She pretended that Bo said  
"Hello, Mr. Cowboy how are you feeling right  
now?" She turned Woody around and saw Woody  
have his pull-string voice box. She was  
so happy, in fact, she pulled the string and  
the voice box says, "You're my favorite,  
Nephew ty!"
