"Uh, huh!" Poppy nodded. "Uh, but listen, you could feel free to respond to it, uh with an answer, if you wanted," Branch tried to exclaim.

"Aw, Branch, thank you! Being a good queen is the most important thing in the world to me!" Poppy said. "Other than being your friend!" As Poppy's voice boomed out loudly, Branch got excited, "Uh, Poppy?"

Branch asked. "Yes, Branch?" She answered, "If you're going to be a queen of Troll Kingdom, I was hoping to become, uh... a king, with you."

Branch asked. "That would be spectacular, Branch!" Poppy smiled as she tried to give Branch a high five. "Uh, five it up?" Poppy missed Branch's hand. "Uh, that could've been better, let's try again," Poppy said as she tried to high five Branch again, but she missed it again. "Okay, one more."

as she counted the trolls! "We have Tiny Diamond, Biggie, Cooper, Guy Diamond, Mr. Dinkles, Smidge, Chenille, and..." But before Poppy could say anything else, Poppy realized that Barb is gone! "Where's Barb?!" Added Poppy. "Maybe, perhaps she fell into the whirlpool!" Biggie cried. "Oh snap!" Mr. Dinkles cried too. The rest of the trolls gasped. "Quick, this way!" Branch said as he led the way. The trolls raced through King Peppy's Kingdom, the water fall, and stopped at the edge of the forbidden whirlpool! "Barb, no!" Biggie cried. "Poor Barb!" Cooper cried. "Alright, I'm not going in there!" Branch said as he walked away, "I'm going to tell King Peppy!" Suddenly, Barb stood in the back. The trolls turned around. "Barb? You're alive!" Poppy gasped. "That's right! I still don't have the right stuff and you all will have a nice trip!" Barb said as she used the guitar to boom the music to push the trolls into the forbidden whirlpool! Barb laughed maniacally. All of the trolls fell into the forbidden whirlpool and got teleported to the modern world. At the water fountain, the trolls came out of the whirlpool and landed on the sidewalk. "Boy, that ride was wild!" Diamond exclaimed. Cooper said, "Where are they?" He said, "Uh guys, you may

with his friends: Max and Chase. Tommy said, "Okay, Max. Hope we can get together outside of school if you're not busy." "I will tomorrow or Sunday text you!" said Max. "Chase, I'm worried that I can't find a girl," Tommy cried. "It's alright, Tommy!" Chase said as he put his hand on his shoulder. "There are plenty of girls out there who want to be friends with you. Have a good weekend!" "You too!" Tommy groaned as he walked away.

As the students were walking, the trolls ran pass their student's step. "Look out!" Branch cried. Poppy turned around and saw Tommy was about to step onto her. But Branch pushed Poppy out of the way and pushed onto Tommy's foot. Tommy tripped over and said, "Oww! What made me lose my balance?" Branch walked up in front with Poppy. Poppy asked, "Uh, are you alright kid?" "Uh... hi?" Branch asked, nervously. Tommy screamed, "Aaahhh!!! Who are you?" "Sorry that I scared you! I'm Poppy! I'm the queen of troll kingdom!" Poppy said as she introduced to herself. "I'm Branch and I'm a troll," Branch said as he introduced himself to "These are our friends: Diamond, Tiny Diamond, Biggie Mr. Dinkles, Cooper, Chenille, and Smidge. We're all trolls!" "Trolls?" Tommy asked, thoughtfully.

a zipper. He said, "Maybe we should unzip the bag first!" "Great idea, Cooper!" Poppy said as she unzipped the backpack. Finally, the trolls made out of Tommy's backpack. Tommy turned around and whispered, "Poppy! Branch! I told you to stay in my backpack!" Biggie looked around and gasped, "This place is gigantic!" "Wholly cow!" Mr. Dinkles gasped too. Poppy saw a weiner dog falling asleep. She said, "Aww, what a cute giant... uh..." Tommy turned around and shouted, "Poppy don't go near my dog!" A weiner dog woke up and barked at Poppy. "Nice doggy!" Poppy cried. Branch came up and grabbed Poppy's arm. He cried and panicked as they ran away. "Run!" Poppy and Branch were being chased by a weiner dog! Tommy saw them. He said, angrily, "Max, stop! Those are living trolls, not toys!" "What was that thing?" Branch gasped. "This is my dog, Max! He's really friendly!" Tommy introduced his weiner dog, Max. Max licked Poppy and Branch. "Eww! Real stobber!" Branch groaned. "Tommy!" His mom called Tommy out. "Quick get inside!" Tommy whispered as he pushed the trolls back to his room. After Tommy closed his door, Tommy's mom came up and asked "What's going on?" "I'm just uh... struggling with homework!" Tommy lied. "Do you want me to help you get passed this?" His

but you and the trolls have to stay here!" The Mom told them. "But why I can't come with you, Mom?" Tommy cried. "Because you have a big test to study for tomorrow," The mom exclaimed. Tommy felt disappointed. Branch explained, "Don't worry, Tommy! Your mom is going to help us get the crystal diamond for you in order for us to make it back home." Later that night, while Tommy's mom was asleep, Tommy got up, go dressed, and sneaked over to grab money from his mom's wallet. All the trolls were asleep at the bottom of the bed. Poppy woke up and saw what Tommy is doing. Branch woke up and saw Poppy checking on Tommy. While Tommy is writing a note and packed up his backpack, Poppy asked "Tommy, what are you doing?" Tommy answered "I'm going on a quest!" Tommy "Yeah we're trying to get some sleep here!" Branch joked. "No way!" Branch gasped. "You can't go out with your parent's permission in the middle of the night!" "Branch, it's 6:00 in a morning! I don't want my mom to go without me! I can help you get the crystal diamond to get you and the trolls home!" Tommy explained. Branch

Then he saw a barrel of gumdrops. He gasped, "Gumdrops? My favorite!" Cooper jumped in and ate them all. "Cooper there you are!" Poppy said. "Whoah, are those a barrel of gumdrops?" Branch asked. "If you ate all of that, you'll have enough energy to go chaotic!" Poppy exclaimed. "Cannon ball!" Diamond and Biggie said as they jumped in and ate it all. Tommy went in and found them. "Come here!" Tommy said, sternly, as he tried to grab the trolls, but instead, he just grabbed Poppy and Branch. Tommy asked, "What did the rest of the trolls go?" "Uh... up there?" Branch said, pointing up on top of the gumball machine. Above, Diamond announced in front of the whole candy store, "Who wants candy?!" Diamond spat the gumdrops around the store onto the kids. Then a chef came in and threw punches of lollipops at each of the trolls. The trolls fell down, but Tommy grabbed them. "That's it, I'm going to kill those creatures!" The chef said, angrily. "No, no, no! It's alright! Those are trolls!" Tommy exclaimed. "They're just looking for some sweet candy!" "Well, then, you've gonna have to pay for some

Tommy and the trolls in his backpack walked through the crowds up to Buckingham Castle Palace. The king stand next to the queen and they announced, "Ladies and Gentlemen! I, the king and queen of London would welcome you all to our Ireland Trip Ceremony!" The crowd applauded. "Now, we had our lovely princess named Ariana! The king announced. "She gotten locked away in a tower by an evil mother! So, we need someone who can go out to Ireland and rescue Princess Ariana!" While the king made an announcement, a teenage prince charming pushed Tommy out of his way. A teenage prince charming said, angrily, "Hey, you! The king did not choose you to come up front!" "I'm sorry! You must be prince charming right?" Tommy cried. "That's right! The King will let me become a new king if he picks me!" the teenage prince charming explained. "Well, I'm already on my quest, but I need some more money! Let me go ask the king and queen!" Tommy said as he barge up front. The teenage prince charming got mad. In fact, he shouted. "Get back here, kid!" Tommy

Tommy, "Alright Tommy, I'll make you a deal, go on this quest for me and I'll give you a gift card for you to buy a crystal diamond and bring those little trolls home." "Exactly the way it was!" Tommy replied. "Down to the last slimed cover toad stole!" The king said. "And the savatters?" Tommy asked. "As good as gone!" The queen said. "What kind of quest?" Branch asked. Meanwhile, Tommy's mom was still fast asleep. Then a dog named Max licked the mom. "Hehe, that tickles! Stop Tommy!" The mom chuckled as she opened her eyes a little, but then she saw that Max was licking her and saw that Tommy was gone. She gasped, "Tommy? Max, where did Tommy go?" Max barked over to the note on the table. "What is that?" The mom asked again as she read the note that Tommy wrote. Then, she began to cry. Meanwhile, Barb walked around London for some help. Suddenly, a teenage prince charming was about to step on to Barb. She played a loud guitar to call for the teenage prince charming. "What was that loud noise?" He gasped. "Down here, mister!" Barb called out. "Wait a minute, are you one of the trolls that is

"Then, after I bring you guys home, what will I do? Kiss the princess and become a prince?" "Oh, you'll be fine! You're just going to be like a delivery boy!" Poppy explained. "The king and queen lost their daughter because the evil mother locked the princess away in the tallest tower!" "What made you think about that Poppy?" Branch asked. "I read it in the book once," Poppy explained. "So what are we going to do first when we get to Ireland?" Tommy asked. "Well, first, we need to get two suit of armor, shield, sword, rope, and vest!" Poppy said. "Why do I need rope and vest?" Tommy asked. "The princess will be in the highest room in the tallest tower!" Poppy answered. "Kinda like rock climbing?" Tommy asked. "That's right!" Poppy answered. "How far is the town?" Branch asked. Cooper saw a town in Ireland up ahead. He shouted, "I see the town up ahead!" When Tommy and the trolls in his backpack

Auha! Auha! And everything, if you recieve the yonder, is what you did, so me be a wonder! I'm on my way! I'm on my way!" When Tommy and the trolls arrived at the front of Doonagore Castle, the trolls kept singing. Tommy said sternly, "Alright, trolls! That must be where the princess is!" The trolls didn't answer Tommy. They kept singing. Tommy shouted, "Stop singing!" "Aww!" The trolls groaned. "Guys look! We made it!" Tommy shouted as he pointed to Doonagore Castle. The trolls looked at the tallest tower. "Sure, it's big enough, but look at the location," Branch joked. "Well, at least we know where the princess is, but how do we get inside?" Poppy asked. Cooper poked his head up top of the helmet. He shouted, look there's a door to get pass this wall! When the trolls inside the robot armor walked over to the door, Tommy rushed in front and whispered, "Poppy, Branch, no! Over here!" The trolls inside the robot armor walked over to Tommy near the tallest tower. "Don't go pass the wall! You'll wake up the

started to look down. She shouted, "Branch! I'm looking down! Aaahhh!!! I can't do this! Tommy, let me out of this thing!" "But, you're already half way!" Tommy shouted. "Yeah, I know the bottom half is the same!" Poppy cried. "Okay, fine! I don't have time for this! You go back!" Branch said as he tried to keep climbing to the top. "Aaahhh!!! Don't do that!" Poppy cried. "Oh, I'm sorry! Do what? Oh, this?" Branch joked, as he swing the rope. "Yes that!" Poppy joked. "Yes? Do it. Okay!" Branch joked as he swing the rope while climbing to the top of the tower. "Branch, be quiet!" Tommy whispered, sternly. Suddenly, the evil mother woke up. She saw Tommy helping the trolls in the robot armor climb to the tallest tower. She held a sword and went in the door. Meanwhile, Poppy cried and panicked, as they almost made it to the top of the tower, "Aaahhh!!! No, Branch! I'm gonna die! Branch, I'm gonna die! Oh!" Finally, they made it to the top of the tower. "So where is the princess?" Branch asked. "She's asleep! Look!" Tommy said as he pointed to Princess Ariana as sleep on the bed. "Why don't you go wake him up, Branch!" "Why can't you?" Branch asked. "I'm just your sidekick and pretend your squire!"

tower ever!" The evil mother shouted as she held out the sword. "What should we do now?" Princess Ariana asked. "I think we should jump." Tommy cried. "Jump? We'll get killed!" Princess Ariana gasped. "Don't worry! We'll catch you two." Branch said. First, the trolls inside the robot armor jumped off the tower. "Don't you ever think about leaving that tower!" The evil mother shouted. "Never!" Princess Ariana yelled back. Princess Ariana and Tommy jumped off the tower when the evil mother missed her swing. The trolls in the robot armor caught Tommy and Princess Ariana. "You come back here, right now!" The evil mother shouted as she rushed downstairs. "Run!" Tommy shouted as they ran away. While Tommy, Princess Ariana, and the trolls in the robot armor were running away, Princess Ariana asked, "Where should we go now?" "I know a place to hide! Come on!" Tommy said his plan as he led the way. When Tommy, Princess Ariana, and the trolls in the robot armor arrived at Killen Castle Golf Club, they went inside the book shelf and hid inside. The evil mother arrived at Killen

"Just take off your helmet," Princess Ariana said again.  
"I'm not going to," Branch cried. "Take it off!"  
She said, sternly. "No!" Branch said. "Now!" She shouted.  
"Okay, easy, as you command, your highness!" Branch  
said as he removed the helmet. Then, Princess Ariana  
realized Branch is with Poppy. She even realized  
that they've both trolls. "You're... a troll!" Princess  
Ariana gasped. "Oh, you're expecting Prince Charming."  
Poppy said. "Well, yes, actually... oh no! This is all  
wrong! Who are you?" Princess Ariana asked.  
"I'm Branch and this is Poppy! Poppy is the  
queen of troll kingdom," Branch introduced  
to themselves. "Troll kingdom?" Princess Ariana  
asked, thoughtfully. Suddenly, the robot armor  
fell apart showing the rest of the trolls. "Who  
are the rest of you might be?" Princess  
Ariana gasped. "I'm Chenille and these are my  
friends: Smidge, DJ Suki, Diamond, Biggie,  
Mr. Dinkles, and Cooper!" Chenille introduced  
herself and the rest of the trolls. "But you're  
not supposed to be a troll!" Princess Ariana  
cried. "Princess Ariana, we were sent to rescue  
you for your mom and dad!" Tommy explained.  
"Then, why didn't they come rescue me?" Princess  
Ariana asked. "Good question, because he's a  
delivery boy!" Branch said, sternly. "Maybe, you

and the trolls to go rescue me and then bring me home?" Princess Ariana asked, wonderly. Then Poppy explained, "The reason why is that we got teleported to London. In order for us to go back to Troll Kingdom, we need to make a rainbow portal. That's why we went on a quest to rescue you in order for the king and queen to give Tommy a gift card to buy a crystal diamond." "Well, I am a lost princess and I'll come with you home for my mom and dad to give you a gift card!" Princess Ariana smiled. "Really?" Cooper asked. "Yes, tomorrow!" She said, happily. Then, the waiter came out with Mexican food. He said, "Dinner is served!" "Oh, Mexican food! My favorite!" Diamond said, excitedly. "Let's sing along as we chop-it-out!" Poppy said, happily. "Whoa, whoa, whoa, you trolls can sing too?" Princess Ariana asked. "Yes, we sing to keep ourselves happy!" Poppy said and then started to sing. "Dinner is served! Dinner is served! Everyone enjoy your meal! Hope your hungry! We got Lobster, Fish, Turkey, and Ham! Boy, what a Mexican food we have! Eat it all up! Everyone enjoy your meal! Don't forget have

teenage prince charming said, angrily, "Hey, you can't just barg in here!" "Do you know where Princess Ariana is?" The evil mother asked, angrily. "Wait a minute, are you Princess Ariana's guardian?" The teenage prince Charming asked. "Yeah!" she said. "Then, what are you doing here?" The teenage prince charming asked. The evil mother exclaimed, "I saw Princess Ariana run away with a boy in a knight and another knight with four eyes to London! I couldn't find them anywhere. Do you know where they are?" "You mean the trolls?" Barb asked, sternly. "Are you a troll rock star?" The evil mother asked. "Yup, we're performing a rock musical play!" Barb exclaimed. "We need two of my trolls!" "Say, I'll bring the princess to your play, I'll play as a guardian, and you and Barb will capture two trolls!" The evil mother said her plan. "You know, that may not be a bad idea! Gwahahaha!!!" The teenage prince charming smiled with his evil laugh. Meanwhile, after they left Kileen Castle Golf Club in Ireland, Princess Ariana, Tommy, and the trolls took the Irish Ferry Boat back to London. On the deck, Princess Ariana asked, "So, we just got up early, leave Ireland to take the Ferry boat

around and saw London up ahead. When Tommy, Princess Ariana, and the trolls arrived back up to Buckingham Castle Palace, Tommy said as he pointed out, "There it is, Princess Ariana. Your future awaits you." "That's my home?" Princess Ariana asked, thoughtfully. "Yeah, the king and queen are your parents. They've been looking everywhere for you and..." Poppy tried to explain, but then the king and queen walked out of their castle. The king smiled, "Princess Ariana!" "My girl!" The queen smiled too. "Mom, dad, Tommy rescued me!" Princess Ariana said, happily, as she gave the king and queen a hug. "As promised, now hand it over!" Branch said, sternly. "Very well, Tommy! Cleared out as we agreed! Here's your gift card! Take it and go!" The king told Tommy as he gave Tommy a gift card. "Farewell, Tommy! Thank you for rescuing me! Good luck getting your trolls back home!" Princess Ariana shouted. "Bye Princess Ariana!" Tommy shouted. Princess Ariana walked back to the castle with the king and queen. Suddenly, the evil mother stood next to the gates. When Tommy and the trolls arrived back at Hamley's toy store, Tommy told the trolls, "When we get inside, stay close!"

The teenage prince charming said as he sucked Poppy in the leaf blower. "That's one!" Branch and the trolls came back calling out, "Poppy!" Suddenly Barb and the teenage prince charming spotted Branch. "Barb? You brought Prince Charming?" Branch gasped. "That's right! I'm going to be a king! We got a show to run!" The teenage prince charming said. "What are you going to do with us?" Diamond asked. "Oh, we don't need you all! Just you!" The teenage prince charming said as he sucked Branch in the leaf blower. "Okay, that's all of them!" Barb announced. "Your princess has been kidnapped again by the evil mother! She'll be performing in my rock band play! Now will you excuse us, we have to perform our band tonight! Chow!" After they left, Mr. Dinkles gasped. "All snap!" "Come on! We got to tell Tommy!" Biggle said, immediately. After Tommy paid for the crystal diamond, he said on his way out, "Okay, trolls! I got the crystal diamond! Let's ask my mom to figure out how to make a rainbow..." Then, Tommy saw the trolls were gone around the store. "Poppy? Branch? Trolls?" Tommy called out. The rest of the trolls found Tommy. "Oh there you are! Where's Poppy and Branch

anymore!" Poppy said, sternly. "You brought new friends to take over Great Britain!" "You don't have to be embarrassed! I get it! Being a queen can be quite lonely!" Barb exclaimed. "But say hello to King Charming!" Then the teenage prince charming became known as King Charming. He said, "Hello, Poppy! Well turn you two into rock zombies! You'll love to be her assistant!" "You're turning us into rock zombies? Not again!" Poppy asked. "That's right! The evil mother will perform with Princess Ariana as her real guardian!" King Charming exclaimed. The evil mother grabbed Princess Ariana. Princess Ariana called out, "Poppy! Branch! No!" "You bring Princess Ariana to the tower!" King Charming took the evil mother. The evil mother took Princess Ariana away. "So who will be the first rock zombie?" King Charming asked. "How about Poppy's little boyfriend?" Barb said, as she played the guitar to shoot at Branch. "Branch!" Poppy cried but it was too late. Branch became a lava rock. The lava rock hatched and Branch became a rock zombie. "Rock on!" Branch as a rock zombie shouts. "Oh sick, it totally works!" Barb said. "What about the Queen of Rock, Poppy?" King Charming asked. "Oh yeah! The queen of Rock!" Barb said as she played the guitar to shoot the lazer at Poppy.

Princess, my love! At last, you shall be free!  
I'm strong and brave and dashing my way  
here! Speed with my might with my soft bouncy  
hair!" "Well, it can be any more painful than a  
busy rock performance your making!" Princess  
Ariana joked. The audience began to laugh. The  
evil mother whispered, "You've suppose to keep singing  
while the play was going, "What should we  
do mom?" Tommy whispered. The mom explained,  
"You see how Barb played a guitar to turn  
Poppy and Branch into rock zombies! It  
has to be destroyed and we need a good song to  
turn them back!" "I think I know a perfect  
song to put up!" DJ Suki smiled. "Good, I'll go  
to destroy the guitar and I'll save Princess  
Ariana with Smidge and Chenille!" Tommy  
said his plan. Princess Ariana asked, "How  
about this, could you kill me and you sing?"  
The audience laughed even louder. "Be quiet!"  
King Charming shouted and then started to sing, "I  
knew you wait and from my plate of lovely deed,  
'Okay, don't leave this tower!" The evil mother  
told Princess Ariana. Right when the evil  
mother went downstairs, Tommy came upstairs  
and said, angrily, "Let the princess go!" The evil  
mother said, angrily. "Well, look who the knight

to sing as the DJ is playing, "Somebody once told me the world is gonna roll me. I ain't the sharpest tool in the shed. She was lookin' kind of dumb with her finger and her thumb in the shape of an "L" on her forehead." Then, Poppy's and Branch's red eyes turned back to white and black dotted eyes. The trolls kept singing, "The years start comin' and they don't stop comin'. Fed to the rules and I hit the ground runnin'. Didn't make sense not to live for fun. Your brain gets smart, but your head gets dumb. So much to do, so much to see. So what's wrong with takin' the back streets? You'll never know if you don't go. You'll never shine if you don't glow." Then, Poppy and Branch liked that song. In fact, they sang too, "Hey now, you're an all-star! Get your game on, go play! Hey now, you're a rock star! Get the show on, get paid! And all that glitters is gold! Only shinin' stars break the mold!" King Charming became so mad. In fact, he told the audience, "Don't listen to the DJ!" The audience didn't listen to King Charming. They all sang too, "It's a cool place and they say it gets colder. You're bundled-up now, but wait 'til' ya get older, but the meteor men beg to differ... judging by the hole in the satellite picture. The ice we skate is gettin' pretty thin."

any more!" Poppy smiled as she grabbed Barb's arm. "What the hell?" Barb gasped. Tommy grabbed King Charming's arm too. King Charming said, angrily, "Princess Ariana supposed to be my true love!" "Well, I guess you need to keep looking!" Tommy smiled. "Because I'm not giving up mine!" Poppy smiled too. Both Tommy and Poppy swung both Barb and King Charming around in front of the tower. "Timber!" The mom shouted as she pushed the tallest tower down. Barb and King Charming turned around. King Charming gasped, "Oh, I hate happy endings!" The tower smashed onto Barb and King Charming. The audience applauded even louder. Princess Ariana asked, "Uh, Tommy?" "Yes, Princess Ariana?" Tommy answered. "Can we ask your mom about making a rainbow to send the trolls back home first and then I go home with my mom and dad?" Princess Ariana asked. "Yes, but I have one more thing to do!" Tommy said, as he kissed Princess Ariana. "Awww!" The audience smiled. Back at the waterfall, the next day, his mom opened the crystal diamond. Cooper cried, "I don't know this will ever work!" "Sure it will! Just shine the crystal diamond at the sun to make a rainbow!" Poppy told his mom. The mom shined the crystal diamond at the sun to make a rainbow. Then, the water fountain became a whirlpool again. Biggie

Poppy said. All the trolls began to celebrate. Then Prince Gristle and Bridget saw the trolls were celebrating. "Oh, Bridget! We're late for the party!" Prince Gristle groaned. "No wait! Poppy and Brand were back!" Bridget said as she pointed out. "The show is not over yet! Let's go celebrate with them!" "Great idea, Bridget!" Prince Gristle said as they went down to celebrate and they all lived happily ever after!
